#### SUPPLEMENTARY INFORMATION:

##### Background

At the request of interested parties, the Department of Commerce (the Department) published in the **Federal Register** a notice of initiation of this antidumping duty administrative review. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 37759 (June 30, 2010). The review covers the period May 1, 2009, through April 30, 2010. The preliminary results for this administrative review are currently due no later than January 31, 2011.

##### Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section

751(a)(3)(A) of the Act allows the Department to extend the 245 day time period for the preliminary results up to 365 days.

The Department has determined it is not practicable to complete this review within the statutory time limit because we require additional time to collect and analyze information regarding the terms of sale and certain non-prime merchandise needed for our preliminary results. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review until no later than May 31, 2011, which is 365 days from the last day of the anniversary month of these orders. We intend to issue the final results in this review no later than 120 days after publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.
