SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63769; File No. SR-BX-2011-003]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Extending the Pilot Period to Receive Inbound Routes of Orders From Nasdaq Execution Services

January 25, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 19, 2011, NASDAQ OMX BX, Inc. ("BX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by BX. The Exchange has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

BX submits this proposed rule change to extend the pilot period of BX's prior approval to receive inbound routes of equities orders from Nasdaq Execution Services, LLC ("NES") through June 15, 2011.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, NES is the approved outbound routing facility of the NASDAQ Stock Market LLC ("NASDAQ") for cash equities, providing outbound routing from NASDAQ to other market centers.⁴ BX

also has been previously approved to receive inbound routes of equities orders by NES in its capacity as an order routing facility of NASDAQ as a pilot basis.⁵ The Exchange hereby seeks to extend a previously approved pilot period for such inbound routing (with the attendant obligations and conditions) for an additional 6 months from the date of this filing through June 15, 2011.⁶

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁷ in general, and with Section 6(b)(5) of the Act,⁸ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, the proposed rule change will allow the Exchange to continue receiving inbound routes of equities orders from NES acting in its capacity as a facility of Nasdaq, in a manner consistent with prior approvals and established protections. The Exchange believes that extending the previously approved pilot period for six months is of sufficient length to permit both the Exchange and the Commission to assess the impact of the Exchange's authority to receive direct inbound routes of equities orders via NES (including the attendant obligations and conditions).

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended.

⁶ During this pilot period, the Exchange will file a separate proposal with the Commission seeking permanent approval of the BX and NES Routing Relationship.

C. Self-Regulatory Organization's Statement on Comments Regarding the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)⁹ of the Act and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. BX has requested that the Commission waive the 30-day operative delay. BX notes that the proposal will allow the Exchange to continue receiving inbound routes of equities orders from NES, in a manner consistent with prior approvals and established protections, while also permitting the Exchange and the Commission to assess the impact of the pilot.¹³ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot period to be extended without undue delay through June 15, 2011. For this reason, the Commission designates the proposed rule change to be operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
