

2. *Report title:* Ongoing Intermittent Survey of Households.

Agency form numbers: FR 3016.

OMB control number: 7100–0150.

Frequency: On Occasion.

Reporters: Households and individuals.

Annual reporting hours: 633 hours.

Estimated average hours per response: Division of Research & Statistics, 1.58 minutes; Division of Consumer & Community Affairs, 3 minutes; Other divisions, 5 minutes; and Non-SRC surveys, 90 minutes.

Number of respondents: 500.

General description of report: This information collection is voluntary (12 U.S.C. 225a, 263 and 15 U.S.C. 1691b). No issue of confidentiality normally arises because names and any other characteristics that would permit personal identification of respondents are not reported to the Federal Reserve Board. However, exemption 6 of the FOIA (5 U.S.C. 552(b)(6)) would exempt this information from disclosure.

Abstract: The Federal Reserve uses this voluntary survey to obtain household-based information specifically tailored to the Federal Reserve's policy, regulatory, and operational responsibilities. Currently, the University of Michigan's Survey Research Center (SRC) includes survey questions on behalf of the Federal Reserve in an addendum to their regular monthly Survey of Consumer Attitudes and Expectations. The SRC conducts the survey by telephone with a sample of 500 households and asks questions of special interest to the Federal Reserve intermittently, as needed. The frequency and content of the questions depend on changing economic, regulatory, and legislative developments. The Federal Reserve primarily uses the survey to study consumer financial decisions, attitudes, and payment behavior.

Current Actions: On November 19, 2010, the Federal Reserve published a notice in the **Federal Register** (75 FR 70919) requesting public comment for 60 days on the extension, with revision, of the Intermittent Survey of Households. The comment period for this notice expired on January 18, 2011. The Federal Reserve did not receive any comments. The revisions will be implemented as proposed.

Board of Governors of the Federal Reserve System, January 26, 2011.

Robert deV. Frierson,

Deputy Secretary of the Board.

Office of the Director, National Institutes of Health; Notice of Meeting

Pursuant to section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the Scientific Management Review Board.

The NIH Reform Act of 2006 (Pub. L. 109-482) provides organizational authorities to HHS and NIH officials to: (1) Establish or abolish national research institutes; (2) reorganize the offices within the Office of the Director, NIH including adding, removing, or transferring the functions of such offices or establishing or terminating such offices; and (3) reorganize, divisions, centers, or other administrative units within an NIH national research institute or national center including adding, removing, or transferring the functions of such units, or establishing or terminating such units. The purpose of the Scientific Management Review Board (also referred to as SMRB or Board) is to advise appropriate HHS and NIH officials on the use of these organizational authorities and identify the reasons underlying the recommendations.

The meeting will be open to the public, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should

notify the Contact Person listed below in advance of the meeting.

Name of Committee: Scientific Management Review Board.

Date: February 23, 2011.

Time: 11:30 a.m. to 1:30 p.m.

Agenda: Presentation and discussion will focus on NIH activities related to the Board's recommendations to create a new center for advancing translational medicine and therapeutics development. As requested by the Board in its Report on Translational Medicine and Therapeutics, NIH will provide an update on the proposed creation of a new center and its evaluation of the impact of such a center on other relevant extant programs at NIH, including the National Center for Research Resources. The Board will also discuss next steps regarding future SMRB activities. Time will be allotted on the agenda for public comment. To sign up for public comment, please submit your name and affiliation to the contact person listed below by February 22, 2011. Sign up will be restricted to one sign up per e-mail. In the event that time does not allow for all those interested to present oral comments, anyone may file written comments using the contact person address below.

The toll-free number to participate in the teleconference is 1-800-779-1545. Indicate to the conference operator that your Participant pass code is "NIH".

Place: National Institutes of Health, Office of the Director, NIH, Office of Science Policy, 6705 Rockledge Drive, Suite 750, Bethesda, MD 20892, (Telephone Conference Call)
