

10. Although Raynor had obtained sufficient information to reasonably support the conclusion that the Chairs contained a defect which could create a substantial product hazard, or created an unreasonable risk of serious injury or death, Raynor failed to immediately inform the Commission of such defect or risk as required by sections 15(b)(3) and (4) of the CPSA, 15 U.S.C. 2064(b)(3) and (4). In failing to do so, Raynor knowingly violated section 19(a)(4) of the CPSA, 15 U.S.C. 2068(a)(4) as the term "knowingly" is defined in section 20(d) of the CPSA, 15 U.S.C. 2069(d).

11. Pursuant to section 20 of the CPSA, 15 U.S.C. 2069, Raynor is subject to civil penalties for its failure to report as required under section 15(b) of the CPSA, 15 U.S.C. 2064(b).

Response of Raynor Marketing, Ltd.

12. Raynor denies the allegations of the Staff that the Chairs contain a defect which could create a substantial product hazard or create an unreasonable risk of serious injury or death, and denies that it violated the reporting requirements of Section 15(b) of the CPSA, 15 U.S.C. 2064(b).

Agreement of the Parties

13. Under the CPSA, the Commission has jurisdiction over this matter and over Raynor.

14. In settlement of the Staff's allegations, Raynor shall pay a civil penalty in the amount of three hundred ninety thousand dollars (\$390,000.00) within twenty (20) calendar days of receiving service of the Commission's final Order accepting the Agreement. The payment shall be made by check payable to the order of the United States Treasury.

15. The parties enter into this Agreement for settlement purposes only. The Agreement does not constitute an admission by Raynor or a determination by the Commission that Raynor violated the CPSA's reporting requirements.

16. Upon provisional acceptance of the Agreement by the Commission, the Agreement shall be placed on the public record and published in the **Federal Register** in accordance with the procedures set forth in 16 CFR 1118.20(e). If the Commission does not receive any written request not to accept the Agreement within fifteen (15) calendar days, the Agreement shall be deemed finally accepted on the 16th calendar day after the date it is published in the **Federal Register**, in accordance with 16 CFR 1118.20(f).

17. Upon the Commission's final acceptance of the Agreement and issuance of the final Order, Raynor

knowingly, voluntarily and completely waives any rights it may have in this matter to the following: (i) An administrative or judicial hearing; (ii) judicial review or other challenge or contest of the Commission's actions; (iii) a determination by the Commission as to whether Raynor failed to comply with the CPSA and the underlying regulations; (iv) a statement of findings of fact and conclusions of law; and (v) any claims under the Equal Access to Justice Act.

18. The Commission may publicize the terms of the Agreement and the Order.

19. The Agreement and the Order shall apply to and be binding upon Raynor and each of its successors and/or assigns.

20. The Commission issues the Order under the provisions of the CPSA, and a violation of the Order may subject Raynor and each of its successors and assigns to appropriate legal action.

21. The Agreement may be used in interpreting the Order. Understandings, agreements, representations or interpretations apart from those contained in the Agreement and the Order may not be used to vary or contradict their terms. The Agreement shall not be waived, amended, modified or otherwise altered without written agreement thereto executed by the party against whom such waiver, amendment, modification or alteration is sought to be enforced.

22. If any provision of the Agreement and the Order is held to be illegal, invalid or unenforceable under present or future laws effective during the terms of the Agreement and the Order, such provision shall be fully severable. The balance of the Agreement and the Order shall remain in full force and effect, unless the Commission and Raynor agree that severing the provision materially affects the purpose of the Agreement and Order.

DEPARTMENT OF DEFENSE

Department of the Army

Final Programmatic Environmental Impact Statement (PEIS) for the Growth, Realignment, and Stationing of Army Aviation Assets

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability.

SUMMARY: The Department of the Army announces the availability of the Final PEIS for the proposed growth, realignment, and stationing of new and existing Army aviation assets. The proposed action includes the consolidation and reorganization of existing aviation units, and the potential establishment of one or more Combat Aviation Brigades (CABs). The proposed action will increase the availability of helicopter assets to meet current and future national security requirements, and will allow the Army better to organize existing aviation assets to promote more effective training and force management. The Final PEIS evaluates the environmental impacts associated with the proposed action, which includes the stationing of aviation units, the construction and renovation of garrison facilities, and additional training activities needed to support the readiness of aviation units. In addition, the Final PEIS addresses comments received on the Draft PEIS. Land acquisition is not being considered as part of this action.

The Final PEIS considers the following alternatives: Alternative 1—Realign and Station Existing Aviation Elements of Up to a Full CAB or Activate and Station a New CAB at Fort Carson Colorado (CO). Under this alternative, the Army will consolidate existing aviation units not currently assigned to a CAB into a standard CAB structure at Fort Carson or activate a new CAB at Fort Carson. As part of this alternative, aviation units will conduct training on existing land at Pinon Canyon Maneuver Site (PCMS), CO, in order to maintain training proficiency and support integrated training with ground units. Land acquisition is not being considered as part of this action. Alternative 2—Realign and Station Existing Aviation Elements of Up to a Full CAB or Grow, Station, and Activate
