SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under Section 302 of Title III, Public Law 107-279 (which amended Pub. L. 107-110), the National Assessment of Educational Progress Authorization Act. The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board's responsibilities include the following: selecting subject areas to be assessed, developing assessment frameworks and specifications, developing appropriate student achievement levels for each grade and subject tested, developing standards and procedures for regional and national comparisons, developing guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

On March 3, from 12 p.m. to 4:15 p.m., the Assessment Development Committee will meet in closed session to review 250 secure NAEP test items for the NAEP Long Term Trend in reading and mathematics for ages 9, 13, and 17 for the 2012 operational assessment and the 2016 pilot test. The discussion of contract options and costs will address the congressionally mandated goals and Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public discussion of this information would disclose independent government cost estimates and contracting options, adversely impacting the confidentiality of the contracting process. Public disclosure of information discussed would significantly impede implementation of
