**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Request for Nominations to the Good Neighbor Environmental Board.

**SUMMARY:** The U.S. Environmental Protection Agency (EPA) invites nominations from a diverse range of qualified candidates to be considered for appointment to its Good Neighbor Environmental Board. Vacancies are anticipated to be filled by May 2011. Sources in addition to this **Federal Register** Notice may also be utilized in the solicitation of nominees.

*Background:* GNEB is a Federal advisory committee chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. GNEB was created in 1992 by the Enterprise for the Americas Initiative Act, Public Law 102-532, 7 U.S.C. 5404. Implementing authority was delegated to the Administrator of EPA under Executive Order 12916. The Board is responsible for providing advice to the President and the Congress on environmental and infrastructure issues and needs within the States contiguous to Mexico in order to improve the quality of life of persons

residing on the United States side of the border. The statute calls for the Board to have representatives from U.S. Government agencies; the States of Arizona, California, New Mexico and Texas; and Tribal and private organizations to provide advice on environmental and infrastructure issues along the U.S./Mexico Border. Members are appointed by the EPA Administrator for two year terms with the possibility of reappointment to a second term. The Board meets approximately three times annually, twice at various locations along the U.S.-Mexico border and once in Washington, DC. The Board is responsible for providing guidance to the President and Congress on environmental and infrastructure issues along the U.S.-Mexico border in the form of an annual report and through advice letters. EPA provides reimbursement for travel and other incidental expenses associated with official government business. The GNEB is seeking nominations from a variety of nongovernmental interests along the U.S.-Mexico border from the private sector, academia, environmental groups, health groups, ranching and grazing, energy, and other relevant sectors. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The following criteria will be used to evaluate nominees:

- Representative of a sector or group that helps to shape border-region environmental policy or representatives of a group that is affected by border-region environmental policy.
- Has extensive professional knowledge and experience with the particular issues that the Board examines (*i.e.* environmental and infrastructure issues along the U.S.-Mexico border), including the bi-national dimension of these issues.
- Bring senior level experience that will fill a need of the Board of bringing a new and relevant dimension to its deliberations.
- Possesses a demonstrated ability to work in a consensus building process with a wide range of representatives from diverse constituencies.
- Ability to contribute approximately 10 to 15 hours per month to the Board's activities, including face-to-face meetings, conference calls, participation on the Board's annual report to the President and Congress and comment letters.
- Nominees may self-nominate by submitting a resume describing their professional and educational qualifications, including current business address, e-mail and daytime telephone number.
- All nominees must demonstrate the potential for active and constructive involvement in the Board's work.
