Abstract: Grants.gov is requesting OMB approval to reinstate with change the previously approved SF 424 Mandatory form (4040-0002) for three years. The fax number in block 17 will be changed to be an optional entry. The Mandatory form is the common form used by Federal grant-making agencies for grant applications under mandatory grant programs. It replaced numerous agency-specific forms. The form reduces the administrative burden to the Federal grants community, which includes applicants/grantees and Federal staff involved in grants-related activities.
