BILLING CODE 4910-13-P

DELAWARE RIVER BASIN COMMISSION

18 CFR Part 420

Schedule of Water Charges

AGENCY: Delaware River Basin Commission.

ACTION: Final rule.

SUMMARY: By Resolution No. 2010-9 on September 15, 2010, the Delaware River Basin Commission (DRBC or “Commission”) approved amendments to its Administrative Manual, Part III, Basin Regulations—Water Supply Charges. Accordingly, the Commission’s water charging rates for consumptive use and non-consumptive use, as codified, are hereby amended.

DATES: *Applicability date:* This rule is applicable beginning January 1, 2011, to first quarter 2011 payments due by

April 30, 2011. *Effective Date:* February 24, 2011.

FOR FURTHER INFORMATION CONTACT: For questions about the water charging program, please contact Ms. Amy Shallcross at 609-477-7201.

SUPPLEMENTARY INFORMATION: The Delaware River Basin Commission is a state and federal compact agency charged with managing the water resources of the Delaware River Basin without regard to political boundaries. Its members are the governors of the four basin states—Delaware, New Jersey, New York, and Pennsylvania—and the North Atlantic Division Commander of the U.S. Army Corps of Engineers, representing the President of the United States and all Federal agencies.

In order to fund certain water supply storage facility projects in the Basin, the Commission between 1964 and 1974 established a system of water supply charges consistent with section 3.7 of the Delaware River Basin Compact. DRBC Resolution No. 71-4 established a schedule of rates for water withdrawals and provided that “the charges for water supplied will include all costs associated with making basin water supply available and maintaining its continued availability in adequate

quantity and quality over time.” Res. No. 71-4, Apr. 7, 1971, par. A.2. Revenues from the sale of water in accordance with the rule are placed in a “Water Supply Storage Facilities Fund,” from which payments are made to meet the annual cost of the Commission’s water storage projects—including “debt service, operation, maintenance, replacement, reserves and associated administrative costs.” Id., par. A.2.b. The schedule of water charges in effect from 1978 through 2010 was established by Resolution No. 78-14 in October of 1978, based on the unit cost of water storage owned by the Commission in the Federal government’s Beltzville and Blue Marsh reservoirs. The rates established in 1978—\$60 per million gallons for consumptive use and \$.60 per million for non-consumptive use—remained unchanged for over 30 years.

Notice of the proposed amendments appeared in the **Federal Register** on February 19, 2010 (75 FR 7411), as well as in the Delaware Register of Regulations on March 1, 2010 (13 DE Reg. 1144), the New Jersey Register on March 15, 2010 (42 N.J.R. 667(a)), the New York State Register on March 3, 2010 (p. 5) and the Pennsylvania Bulletin on March 6, 2010 (40 Pa. B.

1201). The February-March 2010 proposal called for a two-stage increase. The consumptive use rate was proposed to increase from \$60 to \$90 per million gallons, effective January 1, 2011, and from \$90 to \$120 per million gallons, effective January 1, 2012; and the non-consumptive use rate was proposed to increase from \$.60 to \$.90 per million gallons, effective January 1, 2011, and from \$.90 to \$1.20 per million gallons, effective January 1, 2012. A public hearing on the proposed rate increases was held on April 13, 2010 and written comments were accepted through April 16, 2010.

On September 15, 2010, the Commission approved a single-stage increase of \$20 per million gallons in the consumptive use rate and \$.20 per million gallons in the non-consumptive use rate. Accordingly, effective January 1, 2011, the Commission's water charging rates are \$80 per million gallons for consumptive use and \$.80 per million gallons for non-consumptive use. No change to the list of uses exempt from charges was proposed or adopted. The Commission also authorized the Executive Director to establish a Water Charges Advisory Committee and to identify and develop proposals for studies to address issues affecting water charges. A comment and response document setting forth the Commission's responses in detail was approved by the Commission simultaneously with adoption of the final rule.

Resolution No. 2010-9, the text of the final rule, and a copy of the comment and response document are available on the Commission's Web site, drbc.net.

DEPARTMENT OF THE TREASURY

Financial Crimes Enforcement Network

31 CFR Part 1010

RIN 1506-AB08

Amendment to the Bank Secrecy Act Regulations—Reports of Foreign Financial Accounts

AGENCY: Financial Crimes Enforcement Network (FinCEN), Treasury.

ACTION: Final rule.

SUMMARY: FinCEN is issuing this final rule to amend the Bank Secrecy Act (BSA) regulations regarding reports of foreign financial accounts. The rule addresses the scope of the persons that are required to file reports of foreign financial accounts. The rule further specifies the types of accounts that are reportable, and provides filing relief in the form of exemptions for certain persons with signature or other authority over foreign financial accounts. Finally, the rule adopts provisions intended to prevent persons subject to the rule from avoiding their reporting requirement.

DATES: *Effective Date:* This rule is effective March 28, 2011.

Applicability Date: This rule applies to reports required to be filed by June 30, 2011 with respect to foreign financial accounts maintained in calendar year 2010 and for reports required to be filed with respect to all subsequent calendar years.

FOR FURTHER INFORMATION CONTACT: FinCEN, Regulatory Policy and Programs Division at (800) 949-2732 and select Option 1.

SUPPLEMENTARY INFORMATION:

I. Statutory and Regulatory Background

The BSA, Titles I and II of Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5314 and 5316-5332, authorizes the Secretary of the Treasury (Secretary), among other things, to issue regulations requiring persons to keep records and file reports that are determined to have a high degree of usefulness in criminal, tax, regulatory, and counter-terrorism matters. The regulations implementing the BSA appear at 31 CFR part 103 (31 CFR

Chapter X, effective March 1, 2011).¹ The Secretary's authority to administer the BSA has been delegated to the Director of FinCEN.

Under 31 U.S.C. 5314 the Secretary "shall require a resident or citizen of the United States or a person in, and doing business in, the United States, to * * * keep records and file reports, when the resident, citizen, or person makes a transaction or maintains a relation for any person with a foreign financial agency." For this purpose, foreign financial agency means "a person acting for a person as a financial institution, bailee, depository trustee, or agent, or acting in a similar way related to money, credit, securities, gold, or a transaction in money, credit, securities, or gold."² The Secretary is authorized to prescribe exemptions to the reporting requirement and to prescribe other matters the Secretary considers necessary to carry out section 5314.

The regulations implementing 31 U.S.C. 5314 appear at 31 CFR 103.24, 103.27, and 103.32. Section 103.24 generally requires each person subject to the jurisdiction of the United States having a financial interest in or signature or other authority over a bank, securities, or other financial account in a foreign country to "report such relationship to the Commissioner of Internal Revenue for each year in which such relationship exists, and * * * provide such information as shall be specified in a reporting form prescribed by the Secretary to be filed by such persons." Section 103.27 requires the form to be filed with respect to foreign financial accounts exceeding \$10,000. The form must be filed on or before June 30 of each calendar year for accounts maintained during the previous

¹ On October 26, 2010, FinCEN issued a final rule (the Chapter X Final Rule), creating a new Chapter X in title 31 of the Code of Federal Regulations (CFR) for BSA regulations. (See 75 FR 65806 (October 26, 2010) (Transfer and Reorganization of Bank Secrecy Act Regulations Final Rule)). As discussed in the Chapter X Final Rule, FinCEN reorganized its regulations that previously appeared at 31 CFR part 103 in the new Chapter X. The Chapter X reorganization is effective as of March 1, 2011, and is not intended to have any substantive effect on the BSA regulations. The notice of proposed rulemaking (NPRM) that preceded today's final rule (amending the BSA regulations related to reports of foreign bank and financial accounts) was published prior to the effective date of the Chapter X reorganization. Accordingly, the NPRM used the 31 CFR part 103 numbering system. References in today's final rule generally use the 31 CFR part 103 numbering system. However, the text of the final rule itself is renumbered using the Chapter X numbering system.

² See 31 U.S.C. 5312(a)(1) which excepts from the definition of financial agency a person acting for a country, a monetary or financial authority acting as a monetary or financial authority or an international financial institution of which the United States government is a member.
