SUPPLEMENTARY INFORMATION: To assist in the preparation of its study on federal protection for pre-1972 sound recordings, the Office published a Notice of Inquiry seeking comments on many detailed questions regarding various aspects of the study. See 75 FR 67777 (November 3, 2010). Initial comments, which were due on January 31, 2011, have been received and are posted on the Copyright Office Web site at <http://www.copyright.gov/docs/sound/comments/initial/>. Reply comments were due to be filed by March 2, 2011.

The Copyright Office has received a request from the Association of Recorded Sound Collections (ARSC) to extend the reply comment period by 42 days in order to allow sufficient time to provide the Office with comprehensive comments on issues relating to copyright law, licensing, and the marketing of sound recordings raised by the initial comments. ARSC points out that at the request of another commenter, the deadline for initial comments was extended by 42 days, and that the initial comments raised

"[m]any complex issues relating to copyright law, licensing, and the marketing of sound recordings." ARSC states that a 42-day extension of the deadline for submission of reply comments would assure that all parties have ample time to craft responses.

Given the complexity of the issues addressed by the initial comments, and in the interest in developing a thorough record, the Office has decided to extend the deadline for filing reply comments by a period of 42 days, making reply comments due by April 13, 2011.

The Office received one initial comment after the January 31 deadline. Because of the extension of the deadline for reply comments, the Office has decided to accept that comment, which has been posted on the Copyright Office Web site at <http://www.copyright.gov/docs/sound/comments/initial/> as Comment Number 59.

Dated: February 18, 2011.

Acting Register of Copyrights.
