[Docket No. 70-7015-ML; ASLBP No. 10-899-02-ML-BD01]

Atomic Safety and Licensing Board; AREVA Enrichment Services, LLC (Eagle Rock Enrichment Facility); Notice of Opportunity to Participate in Uncontested/Mandatory Hearing; Procedures for Participation by Interested Governmental Entities Regarding Environmental Portion of Enrichment Facility Licensing Proceeding

February 24, 2011.

Before Administrative Judges: G. Paul Bollwerk, III, Chairman, Dr. Kaye D. Lathrop, Dr. Craig M. White.

In this 10 CFR part 70 proceeding regarding the request of applicant AREVA Enrichment Services, LLC, (AES) to construct and operate its proposed Eagle Rock Enrichment Facility (EREF) in Bonneville County, Idaho, on February 10, 2011, the NRC staff issued a notice of the availability of its final environmental impact statement (FEIS) analyzing the National Environmental Policy Act (NEPA)-

related environmental aspects of the AES application (NUREG-1945, ADAMS Accession Nos. ML11014A005 (Volume 1) and ML11014A006 (Volume 2)). See Notice of Availability of [FEIS] for the [AES] Proposed [EREF] in Bonneville County, ID, 76 FR 9054 (Feb. 16, 2011). In accord with Atomic Energy Act (AEA) section 2741, 42 U.S.C. § 2021(j), using the agency's E-Filing system,¹ on or before *Monday, April 4, 2011*, any interested State, local governmental body, or affected, Federally-recognized Indian Tribe may file with the Licensing Board in this proceeding a statement of any issues or questions about which the State, local governmental body, or Indian Tribe wishes the Board to give particular attention as part of the environmental/FEIS-related portion of the uncontested/mandatory hearing process associated with the AES application and the staff's environmental review of that application.² Such a statement of issues/questions may be accompanied by any supporting documentation that the State, local governmental body, or Indian Tribe sees fit to provide. Any

¹ The process for accessing and using the agency's E-Filing system is described in the July 23, 2009 notice of hearing that was issued by the Commission for this proceeding. See Notice of Receipt of Application for License; Notice of Consideration of Issuance of License; Notice of Hearing and Commission Order and Order Imposing Procedures for Access to Sensitive Unclassified Non-Safeguards Information and Safeguards Information for Contention Preparation; In the Matter of AREVA Enrichment Services, LLC (Eagle Rock Enrichment Facility), 74 FR 38,052, 38,055 (Jul. 30, 2009) (CLI-09-15, 70 NRC 1, 10-11 (2009)).

² The scope of, and procedural protocols associated with, the uncontested/mandatory hearing in this proceeding are set forth in the Licensing Board's orders of May 19, June 4, June 30, and December 17, 2010, as well as its October 7, 2010 scheduling order. See Licensing Board Initial Scheduling Order (May 19, 2010) at 3-7 (unpublished); Licensing Board Order (Clarifying Initial Scheduling Order) (June 4, 2010) at 2-5 (unpublished); Licensing Board Order (Setting Aside Hold-Dates for Mandatory Hearings) (June 30, 2010) at 2 (unpublished); Licensing Board Memorandum and Order (Initial General Schedule; Revision to Mandatory Hearing Procedures; Inviting Written Limited Appearance Statements; Participation by Interested Governmental Entities) (Oct. 7, 2010) at 2-3 (unpublished); Licensing Board Memorandum and Order (Providing Presentation Topics and Administrative Directives Associated with Mandatory Hearing on Safety Matters) (Dec. 17, 2010) (unpublished).

Previously, the Board issued a notice regarding participation by States, local governmental bodies, and Indian Tribes in the AEA/safety-related portion of this proceeding. See Atomic Safety and Licensing Board; Notice of Opportunity to Participate in Uncontested/Mandatory Hearing (Procedures for Participation by Interested Governmental Entities Regarding Safety Portion of Enrichment Facility Licensing Proceeding), 75 FR 63,213 (Oct. 14, 2010), which was the subject of an evidentiary hearing on January 25, 2011, in the Atomic Safety and Licensing Board Panel's Rockville, Maryland hearing room, see Tr. at 90-272.

statements of issues/questions and supporting documentation (if any) received by the Board by the deadline indicated above will be made part of the record of this proceeding.

The Board will use such statements of issues/questions and supporting documents as appropriate to inform its prehearing questions to the staff and applicant AES and its inquiries at the oral hearing currently scheduled for mid-to-late June or mid-July 2011, at a location in Idaho in the vicinity of the proposed EREF.³ The Board may also request that one or more of the particular States, local governmental bodies, or Indian Tribes providing a statement of issues/questions send representatives to the hearing to participate as the Board may deem appropriate, including answering Board questions and/or making a statement for the purpose of assisting the Board's exploration of one or more of the issues raised by the State, local governmental body, or Indian Tribe in the prehearing filings described above.⁴ The decision

³ The Board anticipates issuing an additional order providing details regarding the schedule associated with, and the location of, the summer 2011 evidentiary hearing on environmental/NEPA-related matters in the near future, which would include dates associated with possible additional participation by any State, local governmental body, or Indian Tribe that, in accord with this notice, provides a timely statement of issues/questions for the Board to consider in the mandatory/uncontested hearing.

⁴ States, local governments, or Indian Tribes should be aware that the uncontested/mandatory hearing is separate and distinct from the NRC's contested hearing process, which has not been invoked in this proceeding. While States, local governments, or Indian Tribes participating as described above may take any position they wish, or no position at all, with respect to the AES application or the staff's associated environmental review, they should be cognizant that, due to the inherently adversarial nature of such proceedings, many of the procedures and rights applicable to the NRC's contested hearing process generally are not available with respect to this uncontested hearing. Participation in the NRC's contested hearing process is governed by 10 CFR 2.309 (for persons or entities, including States, local governments, or Indian Tribes, seeking to file contentions of their own) and 10 CFR 2.315(c) (for interested States, local governments, and Indian Tribes seeking to participate with respect to contentions filed by others). Participation in this uncontested hearing does not affect the right of a State, local governmental entity, or Indian Tribe to participate in any separate contested hearing process that might be requested relative to this proceeding.

Additionally, States, local governmental bodies, and Indian Tribes should be aware that, in accord with 10 CFR 2.315(a), the Board is currently accepting written limited appearance statements regarding this proceeding, and anticipates conducting one or more oral limited appearance sessions in conjunction with the planned summer 2011 evidentiary hearing sessions.
