In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: <http://www.nlm.nih.gov/od/bor/bor.html>, where an agenda and any additional information for the meeting will be posted when available.

Include the docket number in the subject line of the message.

Instructions: All submissions received must include the words “Department of Homeland Security” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

SUPPLEMENTARY INFORMATION: OEC was formed under Title XVIII of the Homeland Security Act of 2002, 6 U.S.C. 101 *et seq.*, as amended, to fulfill its statutory responsibility of conducting nationwide outreach through hosted events, including conferences, meetings, workshops, etc. The general registration form, general pre-meeting form, and general evaluation form will be used to gather information to support these events and for follow-up with stakeholders that attend such events. The registration, pre-meeting, and evaluation forms may be submitted electronically or in paper form.

OMB is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
