

Public Hearings

Joint Commerce-Interior ESA implementing regulations state that the Secretary shall promptly hold at least one public hearing if any person requests one within 45 days of publication of a proposed regulation to list a species or to designate critical habitat (see 50 CFR 424.16(c)(3)). In response to requests from various parties to hold public hearings in a number of locations in Alaska, we published a notice in the **Federal Register** announcing public hearings to be held in Anchorage and Barrow, AK (76 FR 9733, February 22, 2011). We are announcing a separate hearing in Nome, AK, to provide greater opportunity for public comment. We will accept oral and written comments on both the proposed rule for ringed seals and the proposed rule for bearded seals (75 FR 77496; December 10, 2010) during these hearings.

People wishing to make an oral statement for the record at a public hearing are encouraged to provide a written copy of their statement and present it to us at the hearing. In the event that attendance at the public hearings is large, the time allotted for oral statements may be limited. Oral and written statements receive equal consideration. There are no limits on the length of written comments submitted to us.
