Final Regulation Extending the Reporting Deadline for Year 2010 Data Elements Required Under the Mandatory Reporting of Greenhouse Gases Rule
AGENCY: Environmental Protection Agency (EPA).
ACTION: Final rule.

SUMMARY: EPA is promulgating this final rule to extend until September 30, 2011 the reporting deadline for year 2010 data required under the Mandatory Reporting of Greenhouse Gases Rule. This deadline extension will, in the first year of the Greenhouse Gas Reporting Program, allow time for needed refinement of the electronic data reporting system, stakeholder testing of the reporting system and feedback to EPA, and reporter access to the reporting system in advance of the reporting deadline. This rule changes only the deadline for reporting for 2011; it does not change the reporting deadline for future years and does not change what data must be reported.
DATES: This final rule is effective on March 18, 2011.
