BILLING CODE 6051–01–P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comments Requested

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549.

Extension:

Rule 17a–3, SEC File No. 270–026, OMB Control No. 3235–0033.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below. The Code of Federal Regulation citation to this collection of information is the following rule: 17 CFR 240.17a–3.

Rule 17a–3 under the Securities Exchange Act of 1934 establishes minimum standards with respect to business records that broker-dealers

registered with the Commission must make and keep current. These records are maintained by the broker-dealer (in accordance with a separate rule), so they can be used by the broker-dealer and reviewed by Commission examiners, as well as other regulatory authority examiners, during inspections of the broker-dealer.

The collections of information included in Rule 17a–3 is necessary to provide Commission, self-regulatory organization and State examiners to conduct effective and efficient examinations to determine whether broker-dealers are complying with relevant laws, rules, and regulations. If broker-dealers were not required to create these baseline, standardized records, Commission, self-regulatory organization and State examiners could be unable to determine whether broker-dealers are in compliance with the Commission’s antifraud and anti-manipulation rules, financial responsibility program, and other Commission, SRO, and State laws, rules, and regulations.

As of October 1, 2010, there were 5,057 broker-dealers registered with the Commission. The Commission estimates that these broker-dealer respondents incur a total burden of 2,723,970 hours per year to comply with Rule 17a–3. Approximately 1,464,777 of those hours are attributable to paragraph 17a–3(a)(17), and about 1,259,193 hours are attributable to the rest of Rule 17a–3.
