Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Title: Descriptive Study of Early Head Start (Early Head Start Family and Child Experiences Study; Baby FACES).

OMB No.: 0970-0354

Description: The Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), anticipates continuing data collection for wave 4 of the parent interview, teacher child reports, care provider interviews and observations, direct child assessments, program director interviews, and family service tracking for the peri-natal cohort of the Descriptive Study of Early Head Start (Early Head Start Family and Child Experiences Study; Baby FACES). Data collection will continue for an additional 12 months beyond the current date of expiration (October 31, 2011).

This data collection is a part of Baby FACES, which is an important opportunity to provide a description of the characteristics, experiences, and outcomes of Early Head Start children and families, and Early Head Start Program services and delivery. All of the information obtained will be used to
