Statement Regarding the Inferred Death of an Individual by Reason of Continued and Unexplained Absence—20 CFR 404.720 & 404.721—0960-0002. Section 202(d)-(i) of the Social Security Act provides for the payment of various monthly survivor benefits and a lump sum death payment to certain survivors upon the death of a fully or currently insured individual. In cases where insured wage earners are absent from their homes for at least seven years, and there is no evidence these individuals

are alive, SSA may presume they are deceased and pay their survivors the appropriate benefits. SSA uses the information from Form SSA-723 to determine if we may presume the death of a missing wage earner, and if so, to establish a date of presumed death. The respondents are relatives, friends, neighbors, or acquaintances of the presumed deceased wage earner or the person who is filing for survivors benefits.
