

are engaged in employment related to the supply of technical support services. This worker group excludes workers not assigned to the Call Center located in West Columbia, South Carolina. This worker group includes on-site leased workers of Volt Consulting.

Information obtained during the reconsideration investigation confirmed that, during the relevant period, NCR Corporation did not shift to a foreign country the supply of services like or directly competitive with the services supplied by the USPS Help Desk, nor has there been an acquisition from a foreign country by NCR Corporation of services like or directly competitive with those supplied by the USPS Help Desk. Rather, the services which were supplied by the workers at USPS Help Desk in West Columbia, South Carolina are being performed at other NCR Corporation facilities within the United States, per the client. Therefore, the Department determines that workers and former workers of NCR Corporation, Customer Care Center, United States Postal Service Help Desk, West Columbia, South Carolina have not met the eligibility criteria for TAA.

Information obtained during the initial investigation revealed that a significant number of workers at NCR Corporation, Call Center, West Columbia, South Carolina have been totally or partially separated, or are threatened with such separation; that NCR Corporation has shifted to a foreign country the supply of services like or directly competitive with the services supplied by the Call Center; and that the shift to India has contributed importantly to worker separations (total or partial), or threat of such separations, at NCR Corporation, Call Center, West Columbia, South Carolina. Therefore, the Department determines that workers and former workers of NCR Corporation, Call Center, West Columbia, South Carolina have met the eligibility criteria for TAA.

Conclusion

After careful review of the additional facts obtained during the reconsideration investigation, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of NCR Corporation, Customer Care Center, United States Postal Service Help Desk, West Columbia, South Carolina (TA-W-74,347) and determine that workers and former workers of NCR Corporation, Call Center, West Columbia, South Carolina (TA-W-74,347A), meet the worker group certification criteria under Section 222(a) of the Act, 19 U.S.C.

2272(a). In accordance with Section 223 of the Act, 19 U.S.C. 2273, I make the following certification:

“All workers of NCR Corporation, Call Center, including on-site leased workers of Volt Consulting, West Columbia, South Carolina (TA-W-74,347A), who became totally or partially separated from employment on or after June 18, 2009, through two years from the date of this revised certification, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.”

Signed in Washington, DC, this 1st day of April, 2011.
