DATES: *Comments are due:* April 22, 2011.

ADDRESSES: Submit comments electronically by accessing the “Filing Online” link in the banner at the top of the Commission’s Web site (<http://www.prc.gov>) or by directly accessing the Commission’s Filing Online system at <https://www.prc.gov/prc-pages/filing-online/login.aspx>. FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, at 202–789–6820 (case-related information) or DocketAdmins@prc.gov (electronic filing assistance).

SUPPLEMENTARY INFORMATION: On April 8, 2011, the Postal Service filed a notice of two classification changes pursuant to 39 CFR 3020.90 and 3020.91 concerning certain competitive mail services.¹ The first change modifies the size and weight limitation table for Global Express Guaranteed (GXG) in the Mail Classification Schedule (MCS) with the addition of a note to reflect that country-specific restrictions may apply as designated in the International Mail Manual. The Postal Service states that this minor change is proposed to reflect changes to country-specific size and weight restrictions imposed by the Postal Service’s delivery carrier. *Id.* at 1. It relates that a note reflecting

restrictions applicable to Express Mail International (EMI) is currently included in the MCS and the change for GXG is intended to parallel the EMI restrictions. *Id.* The Postal Service states that it intends to publish the country-specific restrictions in the *Postal Bulletin* on June 2, 2011, with an effective date of June 6, 2011. *Id.*

The second change adds another dimensional option to the large Flat Rate Box for Priority Mail and Outbound Priority Mail International services. *Id.* at 1. The Postal Service explains that the current dimensions are 12.25 x 12.25 x 6.0 inches and the new option of 11.875 x 3.125 x 24.0625 inches is suited for board games. *Id.* at 2. It states that the cubic size of the new large Flat Rate Box remains the same. The Postal Service states that inadvertently it did not advise the Commission that this dimension option is currently available on <http://www.usps.com>. Therefore, it proposes that the change to the MCS reflecting this change be effective as soon as possible. *Id.*

The Postal Service asserts these classification changes are consistent with the requirements of 39 U.S.C. 3642, and further proposes conforming MCS language. *Id.* at 2.

The Commission establishes Docket No. MC2011–24 for consideration of matters related to the proposed classification change identified in the Postal Service’s Notice.

Interested persons may submit comments on whether the Postal Service’s request is consistent with the policies of 39 U.S.C. 3642 and generally with the provisions of title 39. Comments are due no later than April 22, 2011. The Postal Service’s Notice can be accessed via the Commission’s Web site (<http://www.prc.gov>).

The Commission appoints Jeremy Simmons to serve as Public Representative in the captioned proceeding.

It is ordered:

1. The Commission establishes Docket No. MC2011–24 for consideration of matters raised by the Postal Service’s Notice.

2. Comments by interested persons are due no later than April 22, 2011.

3. Pursuant to 39 U.S.C. 505, Jeremy Simmons is appointed to serve as the officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

4. The Secretary shall arrange for publication of this Order in the **Federal Register**.

By the Commission.

Shoshana M. Grove,

Out ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) the ractical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of publication date.

Under Section 12(a) of the Railroad Retirement Act (RRA), the RRB is authorized to select, make payments to, and to conduct transactions with, a beneficiary’s relative or some other person willing to act on behalf of the beneficiary as a representative payee. The RRB is responsible for determining if direct payment to the beneficiary or payment to a representative payee would best serve the beneficiary’s interest. Inherent in the RRB’s authorization to select a representative payee is the responsibility to monitor the payee to assure that the beneficiary’s interests are protected. The RRB utilizes Form G–99D, Parental Custody Report, to obtain information needed to verify that a parent-for-child representative payee still has custody of the child. One response is required from each respondent. The RRB proposes no changes to Form G–99D.

¹ Notice of United States Postal Service of Classification Changes, April 8, 2011 (Notice).

Previous Requests for Comments: The RRB has already published the initial 60-day notice (75 FR 79056 on December 17, 2010) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
