

be made prior to execution of the lease of power privilege, the lessee would be responsible for marketing the power generated by the project with priority given to preference entities as heretofore defined in Proposal Content Guidelines, item 1.).

Notice and Time Period to Enter Into Lease of Power Privilege: Reclamation will notify, in writing, all entities submitting proposals of Reclamation's decision regarding selection of the potential lessee. The selected potential lessee will have 2 years from the date of such notification to enter into a lease of power privilege for the site or sites identified in the proposal. Such leases of power privilege will state whether and how Western will be involved in purchasing and/or marketing the power. Any excessive delay resulting from compliance with the provisions of Federal environment laws or administrative review by a Federal agency, pertaining to the project, may extend the 2 year time period for a period equal to that of the delay. This period may only be extended by mutual, written consent of the potential lessee and the United States.

Dated: April 14, 2011.

Michael J. Ryan,
Regional Director.

Bureau of Ocean Energy Management, Regulation and Enforcement

[Docket No. BOEM-2011-0005]

Commercial Leasing for Wind Power on the Outer Continental Shelf Offshore New Jersey—Call for Information and Nominations

AGENCY: Bureau of Ocean Energy Management, Regulation and Enforcement (BOEMRE), Interior.

ACTION: Call for Information and Nominations for Commercial Leasing for Wind Power on the Outer Continental Shelf Offshore New Jersey.

SUMMARY: The Bureau of Ocean Energy Management, Regulation and Enforcement (BOEMRE) invites the submission of nominations for one or more commercial leases for the construction of a wind energy project(s) on the Outer Continental Shelf (OCS) offshore New Jersey. Although this announcement is not itself a leasing announcement, the area described herein may be subject to future leasing, and BOEMRE will use the response to this Call for Information and Nominations (Call) to gauge specific interest in acquiring commercial wind lease(s) in some or all of the area, and to determine whether competitive interest exists in any particular area as required by 43 U.S.C. 1337(p)(3). Parties wishing to submit a nomination in response to this Call should submit detailed and specific information as described below in the section entitled, "Required Nomination Information."

This announcement also requests that interested and affected parties comment and provide information about site conditions, resources, and multiple uses within the area identified in this notice
