SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549.

Extension:

Rule 17Ab2-1, Form CA-1, SEC File No. 270-203, OMB Control No. 3235-0195.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the previously approved collection of information provided for in Rule 17Ab2-1 (17 CFR 240.17Ab2-1) and Form CA-1: Registration of Clearing Agencies (17 CFR 249b.200) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17Ab2-1 and Form CA-1 require clearing agencies to register with the Commission and to meet certain requirements with regard to, among other things, a clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA-1. Thereafter, information is collected by amendment to the initial Form CA-1 when material changes in circumstances necessitate modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA-1 to (i) determine whether an applicant meets the standards for registration set forth in Section 17A of the Securities Exchange Act of 1934 ("Exchange Act"), (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2-1, the Commission could not perform these duties as statutorily required.

The Commission staff estimates that each initial Form CA-1 requires approximately 130 hours to complete and submit for approval. This burden is

composed primarily of a one-time reporting burden that reflects the applicant's staff time (*i.e.* internal labor costs) to prepare and submit the Form to the Commission. Hours required for amendments to Form CA-1 that must be submitted to the Commission in connection with material changes to the initial CA-1 can vary, depending upon the nature and extent of the amendment. Since the Commission only receives an average of one submission per year, the aggregate annual burden associated with compliance with Rule 17Ab2-1 and Form CA-1 is 130 hours. The main cost to respondents is associated with generating, maintaining, and providing the information sought by Form CA-1. The external costs associated with such activities include fees charged by outside lawyers and accountants to assist the registrant collect and prepare the information sought by the form (though such consultations are not required by the Commission) and are estimated to be approximately \$18,000. The rule and form do not involve the collection of confidential information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Please direct your written comments to: Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov.

Rule 173; OMB Control No. 3235-0618; SEC File No. 270-557.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Securities Act Rule 173 (17 CFR 230.173) provides a notice of registration to investors who purchased securities in a registered offering under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). A Rule 173 notice must be provided by each underwriter or dealer to each investor who purchased securities from the underwriter or dealer. The Rule 173 notice is not publicly available. We estimate that it takes approximately 0.01 hour per response to provide the information required under Rule 173 and that the information is filed by approximately 5,338 respondents approximately 43,546 times a year for a total of 232,448,548 responses. We estimate that the total annual reporting burden for Rule 173 is 2,324,485 hours (0.01 hours per response × 232,448,548 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Submission for OMB Review; Comment Request

Extension:

Rule 433; OMB Control No. 3235-0617; SEC File No. 270-558.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 433 (17 CFR 230.433) governs the use and filing of free writing prospectuses under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). The purpose of Rule 433 is to reduce the restrictions on communications that a company can make to investors during a registered offering of its securities, while maintaining a high level of investor protection. A free writing prospectus meeting the conditions of Rule 433(d)(1) must be filed with the Commission and is publicly available. We estimate that it takes approximately 1.3 burden hours per response to prepare a free writing prospectus and that the information is filed by 2,906 respondents approximately 1.25 times a year for a total of 3,633 responses. We estimate that 25% of the 1.3 burden hours per response (0.32 hours) is prepared by the respondent for total annual reporting burden of approximately 1,163 hours (0.32 hours × 3,633 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a currently valid control number.
