The BLM initiated a Wild and Scenic Rivers (WSR) review of all BLM-administered public lands along waterways within the Worland and Cody planning areas. The BLM requests the public to submit information regarding the suitability of eligible river segments for inclusion in the National Wild and Scenic Rivers System. The BLM will use comments submitted during the announced comment period

to gather additional data to determine suitability for inclusion into the National Wild and Scenic Rivers System. You may submit comments in writing to the BLM at any public meeting, or you may submit them to the BLM using one of the methods listed in the **ADDRESSES** section above. In order to reduce the use of paper and control costs, the BLM strongly encourages the public to submit comments electronically at the project Web site or via e-mail. Only comments submitted using the methods described in the **ADDRESSES** section above will be accepted. Comments submitted must include the commenter's name and street address. Whenever possible, please include reference to either the page or section in the Draft RMPs/EIS to which the comment applies. Please note that public comments and information submitted—including names, street addresses and e-mail addresses of persons who submit comments—will be available for public review and disclosure at the above address during regular business hours (8 a.m. to 4 p.m.), Monday through Friday, except holidays.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice of Meetings of the Pinedale Anticline Working Group, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Federal Land Policy and Management Act of 1976 and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of

Land Management (BLM) announces that the Pinedale Anticline Working Group (PAWG) will conduct meetings and a field tour in Pinedale, Wyoming. All meetings and tours are open to the public.

DATES: The PAWG will meet on the following dates: August 3, 2011, and November 8, 2011, beginning at 9 a.m. Mountain Time at the BLM Pinedale Field Office. A field tour of the Pinedale Anticline Project Area (PAPA) will also be held on August 2, 2011 at 10 a.m. Mountain Time. Members of the public are asked to RSVP no later than 1 week prior to the field tour to Shelley Gregory, BLM Pinedale Field Office, P.O. Box 768, Pinedale, Wyoming 82941; 307–315–0612; ssgregory@blm.gov.

ADDRESSES: BLM Pinedale Field Office, 1625 West Pine Street, Pinedale, Wyoming.

FOR FURTHER INFORMATION CONTACT: Shelley Gregory, BLM Pinedale Field Office, 1625 West Pine Street, P.O. Box 768, Pinedale, Wyoming 82941; 307–315–0612; ssgregory@blm.gov. Persons who use a telecommunications device for the deaf (TDD), may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The PAWG was established by the Environmental Impact Statement (EIS) Record of Decision (ROD) for the PAPA on July 27, 2000, and carried forward with the release of the ROD for the PAPA Supplemental EIS on September 12, 2008.

The PAWG is a FACA-chartered group which develops recommendations and provides advice to the BLM on mitigation, monitoring, and adaptive management issues as oil and gas development in the PAPA proceeds.

Additional information about the PAWG can be found at: http://www.blm.gov/wy/st/en/field_offices/pinedale/pawg.html.
