Extension:

Electronic Data Collection System; OMB Control No. 3235-0672; SEC File No. 270-621.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the new collection of information summarized below. The Commission plans to submit this extension for a current collection of information to the Office of Management and Budget for approval.

The Securities and Exchange Commission has begun the design of a new Electronic Data Collection System database (the Database) and invites comment on the Database that will support information provided by the general public that would like to file a tip or complaint with the Commission. The Database is a web based e-filed dynamic report based on technology that pre-populates and establishes a series of questions based on the data that the individual enters. The individual will then complete specific information on the subject(s) and nature of the suspicious activity, using the data elements appropriate to the type of complaint or subject. The first phase of the Database was released as a pilot in March 2011. Any public suggestions that are received during the pilot phase will be reviewed and changes will be considered. The final version will be available Fall 2011. There are no costs associated with this collection. The public interface to the Database is available using the *Tips, Complaints and Referrals Portal*. Information is provided voluntarily.

Estimated number of annual responses = 25,000.

Estimated annual reporting burden = 12,500 hours (30 minutes per submission).

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Background documentation for this information collection may be viewed at the following Web site, <http://www.reginfo.gov>. Please direct general comments to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to Shagufta.Ahmed@omb.eop.gov; Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.
