Abstract: The Annual Protection and Advocacy of Individual Rights Program Performance Report (Form RSA-509) will be used to analyze and evaluate the effectiveness of eligible systems within individual states in meeting annual priorities and objectives. These systems

provide services to eligible individuals with disabilities to protect their legal and human rights. Rehabilitation Services Administration (RSA) uses the form to meet specific data collection requirements of Section 509 of the Rehabilitation Act of 1973, as amended (the act), and its implementing federal regulations at 34 CFR part 381. PAIR programs must report annually using the form, which is due on or before December 30 each year. Form RSA-509 has enabled RSA to furnish the President and Congress with data on the provision of protection and advocacy services and has helped to establish a sound basis for future funding requests. These data also have been used to indicate trends in the provision of services from year to year.
