*Title:* Regulation for Submission of Evidence—Title 38 CFR 17.101(a)(4).

*OMB Control Number:* 2900-0606.

*Type of Review:* Extension of a currently approved collection.

*Abstract:* Under the provisions of 38 CFR 17.101(a)(4), a third party payer that is liable for reimbursing VA for care and services VA provided to veterans with non-service-connected conditions continues to have the option of paying either the billed charges or the amount the health plan demonstrates it would pay to providers other than entities of

the United States for the same care or services in the same geographic area. If the amount submitted by the health plan is less than the amount billed, VA will accept the submission as payment, subject to verification at VA's discretion. VA uses the information to determine whether the third-party payer has met the test of properly demonstrating its equivalent private sector provider payment amount for the same care or services VA provided.
