I. Section (a)(2)(A) all of the following must be satisfied:

B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. Increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers' separation or threat of separation and to the decline in sales or production of such firm or subdivision; or

II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

3. There has been or is likely to be an increase in imports of articles that are like or directly competitive with articles which are or were produced by such firm or subdivision.

Also, in order for an affirmative determination to be made for secondarily affected workers of a firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(b) of the Act must be met.

(2) The workers' firm (or subdivision) is a supplier or downstream producer to a firm (or subdivision) that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance benefits and such supply or production is related to the article that was the basis for such certification; and

(3) Either—

(A) The workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or

Notice of Revised Determination on Reconsideration; Severstal Wheeling, Inc., et al.

TA-W-71,572A
Severstal Wheeling, Inc., a Subsidiary of Severstal North America, Inc., Yorkville, Ohio

TA-W-71,572C
Severstal Wheeling, Inc., a Subsidiary of Severstal North America, Inc., Steubenville, Ohio

On October 15, 2010, the Department issued a Notice of Affirmative

Determination Regarding Application for Reconsideration for workers and former workers of Severstal Wheeling, Inc., a subsidiary of Severstal North America, Inc., Martins Ferry, Ohio (TA-W-71,572); Severstal Wheeling, Inc., a subsidiary of Severstal North America, Inc., Yorkville, Ohio (TA-W-71,572A); Severstal Wheeling, Inc., a subsidiary of Severstal North America, Inc., Mingo Junction, Ohio (TA-W-71,572B); and Severstal Wheeling, Inc., a subsidiary of Severstal North America, Inc., Steubenville, Ohio (TA-W-71,572C) to apply for Trade Adjustment Assistance (TAA). The workers produce a variety of steel coils.

The subject worker groups do not include any on-site leased or temporary workers and exclude workers of Severstal International, Sparrows Point, Maryland (TA-W-74,919; certification issued on February 9, 2011).

During the reconsideration investigation, the Department received additional and new information from the subject firm, conducted an expanded customer survey, reviewed relevant information obtained from affiliated facilities, and analyzed import data of articles like or directly competitive with the coils produced at the subject facilities.

Section 222(a)(1) has been met because a significant number or proportion of workers at each of the subject facilities became totally or partially separated, or threatened with such separation.

Section 222(a)(2)(A)(i) has been met because sales or production of steel coils at each of the subject facilities decreased absolutely.

Section 222(a)(2)(A)(ii) has been met because there were increased imports of articles like or directly competitive with the steel coils produced at the respective facilities, during the relevant periods.

Finally, Section 222(a)(2)(A)(iii) has been met because the increased imports contributed importantly to worker group separations and sales/production declines at each of the subject facilities.

Conclusion

After careful review of the additional facts obtained on reconsideration, I determine that workers of the subject facilities meet the worker group certification criteria under Section 222(a) of the Act, 19 U.S.C. 2272(a). In accordance with Section 223 of the Act, 19 U.S.C. 2273, I make the following certification:

All workers of Severstal Wheeling, Inc., a subsidiary of Severstal North America, Inc., Martins Ferry, Ohio (TA-W-71,572); Severstal Wheeling, Inc., a subsidiary of
