

the following issues. The CMS-855A enrollment form currently captures ownership/managerial information on providers. The data required under sections 6401 and 6001, however, is more specific than that currently obtained on the CMS-855A. CMS will therefore create four attachments to the CMS-855A—two for SNFs and the other two for physician-owned hospitals—to secure this information. In addition to the application changes triggered by ACA, CMS is making other revisions to the forms as well.

This information collection request has been revised since the 60-day Federal Register notice published on March 22, 2011 (76 FR 13415). The group/clinic and individual burden has decreased due to the removal of a previously proposed supplier attachment. However, the overall burden hour estimate has increased slightly due to additional role-specific ownership and managerial control data collection for institutional providers. *Form Number:* CMS-855(A, B, I, R) (OMB#: 0938-0685); *Frequency:* Yearly; *Affected Public:* Private Sector; Business or other for-profit and not-for-profit institutions; *Number of Respondents:* 440,450; *Total Annual Responses:* 440,450; *Total Annual Hours:* 856,395.
