Rural Housing Service

Title: RD 3550-28, "Authorization Agreement for Preauthorization Payments"; RD 1951-65, "Customer Initiated Payments (CIP)" and RD 1951-66, "Fedwire Worksheet".

OMB Control Number: 0575-0184.

Summary of Collection: Rural Development (RD) uses electronic methods for receiving and processing loan payments and collections. These electronic collection methods are approved by Treasury and include Preauthorized Debits (PAD), Customer Initiated Payments (CIP), and FedWire. These electronic collection methods provide the borrower the ability to submit their loan payments the day prior to, or the day of their installment due date. To administer these electronic payment methods, RD will use approved agency forms for collecting financial institution routing information. Form RD 3550-28, Authorization Agreement for Preauthorized Payments, is prepared by the borrower to authorize RD to electronically collect regular loan payments from a borrower's account at a financial institution (FI) as preauthorized debits. Form RD 1951-65, is prepared by the borrower to enroll in CIP. CIP is an electronic collection method that enables borrowers to input payment data to a contract bank via telephone (touch tone and voice) or computer terminal. Form RD 1951-66, FedWire Worksheet, is completed by the borrower to establish an electronic FedWire format with their FI.

Need and Use of the Information: RD will request that borrowers make payments electronically via PAD, CIP, or FedWire. The information is collected only once unless the FI routing information changes. If the information were not collected, RD would be unable to collect loan payments electronically.

SUPPLEMENTARY INFORMATION:

Title: Volunteer Programs.

OMB Control Number: 0560-0232.

Expiration Date for Approval: October 31, 2011.

Type of Request: Extension of a Currently Approved Information Collection.

Abstract: Section 1526 of the Food and Agriculture Act of 1981 (7 U.S.C. 2272) permits the Secretary of Agriculture to establish a program to use volunteers to perform a wide range of

activities to carry out the programs of, or supported by the Department of Agriculture. 5 U.S.C. 3111 grants agencies the authority to establish programs designed to provide educationally related work assignments for students in non-pay status. The volunteer program will provide a valuable service to the Farm Service Agency (FSA).

In FSA volunteer program, each individual must follow the same responsibilities and guidelines to conduct to which Federal Government employees are expected to follow. The individuals, who are mainly students participating in the sponsored volunteer program, must complete the "Service Agreement and Attendance Records," and other forms, with providing required supporting documents. The collected information is to allow FSA to effectively recruit, train, and accept volunteers to carry out programs supported by the Department of Agriculture.

Without the collected information, FSA would be unable to document services without compensation in the program. FSA is reporting the collected information to the Department of Agriculture and the Office of Personnel Management that request information on volunteer programs.

Estimate of Burden: The recordkeeping requirements in this request are normal business records and, therefore, have no burden. Public reporting burden for this information collection is estimated to average 15 minutes per response. The average travel time, which is included in the total annual burden, is estimated to be 1 hour per respondent.

Type of Respondents: Individuals.

Estimated Number of Respondents: 60.

Estimated Number of Responses per Respondent: 1.33.

Estimated Total Annual Responses: 80.

Estimated Total Annual Burden Hours: 30 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility and clarity of the information to be collected;

(4) Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for OMB approval.

Signed in Washington, DC, on May 17, 2011.

Carolyn B. Cooksie,

Acting Administrator, Farm Service Agency.
