

propose additional transfers if justified. *Id.* at 3.

Having completed its evaluation, the Postal Service asks the Commission to transfer P.O. Box Service at approximately 6,800 locations from the market dominant to the competitive product list. Request at 1. These locations comprise approximately one-fifth of all P.O. Box Service locations and almost 44 percent of all post office boxes used by customers. *Id.* at 1–2. If the Commission approves the Request, almost 49 percent of all post office boxes would be classified as competitive, excluding Group E boxes. *Id.* at 2 n.5.

The Postal Service selected the 6,800 locations based on whether its customers have sufficient access to private mailbox service providers. *Id.* at 2. In general, these locations serve customers who live within five miles of a current or recent private mailbox service provider. *Id.*, Attachment B at 4–5; Attachment C. The Postal Service excluded those P.O. Box Service locations that restrict customer access or have a small customer base.³ *Id.*, Attachment B at 5–6. Those locations will remain on the market dominant product list despite their proximity to a private mailbox service provider. *Id.*, Attachment B at 10.

The Postal Service notes that it may ask the Commission to transfer other P.O. Box Service locations in the future as it studies the mailbox service market. *Id.* at 2.

To support its Request, the Postal Service filed the following attachments:

- Attachment A—Resolution of the Governors of the United States Postal Service on Transferring Selected Post Office Box Service Locations to the Competitive Product List, May 10, 2011 (Resolution No. 11–8);
- Attachment B—Statement of Supporting Justification; and
- Attachment C—Proposed MCS Changes.

II. Notice of Filing

The Commission establishes Docket No. MC2011–25 to consider the Postal Service's proposals described in its Request.

³ For business reasons, the Postal Service excluded from the proposed transfer all locations with 250 or fewer post office box customers. Request, Attachment B at 6. However, the proposed Mail Classification Schedule (MCS) language refers to a "small customer base" without a specific definition. *Id.*, Attachment C. The Postal Service explains that it needs flexibility in the MCS language to prevent P.O. Box Service locations from switching back and forth between the market dominant and competitive product lists if the number of post office boxes exceeds or falls below 250. *Id.*, Attachment B at 10 n.14.

Interested persons may submit comments on whether the Request is consistent with the policies of 39 U.S.C. 3642, 39 CFR 3020.30 *et seq.*, and the general provisions of title 39. Comments are due by June 10, 2011. Reply comments are due by June 17, 2011. The Request and related filings are available on the Commission's Web site (<http://www.prc.gov>). The Commission encourages interested persons to review the Request for further details.

The Commission appoints Tracy N. Ferguson to serve as Public Representative in this proceeding.

III. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. MC2011–25 to consider the matters raised by the Postal Service's Request.

2. Pursuant to 39 U.S.C. 505, Tracy N. Ferguson is appointed to serve as officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

3. Comments by interested persons are due by June 10, 2011.

4. Reply comments are due by June 17, 2011.

5. The Secretary shall arrange for publication of this order in the **Federal Register**.

By the Commission.

Shoshana M. Grove,
Secretary.

SUPPLEMENTARY INFORMATION: The Commission proposes to establish three new systems of records, “Tips, Complaints, and Referrals (TCR) Records (SEC-63)”, “SEC Security in the Workplace Incident Records (SEC-64)”, and “Investor Response Information System (IRIS) (SEC-65).” The TCR Records (SEC-63) system of records contains records related to tips, complaints, referrals of misconduct, or related information about actual or potential violations of the Federal securities laws; investor harm; conduct of public companies; securities professionals; regulated entities; and associated persons. The SEC Security in the Workplace Incident Records (SEC-64) system of records contains records related to reports involving incidents of assault, harassment, intimidation, bullying, weapons possession or threats at the SEC workplace. The IRIS (SEC-65) system of records contains records related to complaints/inquiries/requests

from members of the public and others. In a companion release published elsewhere in this issue of the **Federal Register** the Commission is issuing a Notice of Proposed Rulemaking concurrent with this notice to exempt these systems from certain provisions of the Privacy Act to the extent that they contain investigatory materials for law enforcement purposes.

Additionally, the Commission proposes to revise two existing systems of records, “Personnel Management Code of Conduct and Employee Performance Files (SEC-38)”, and “Enforcement Files (SEC-42)”. As described in the last published notice, the Personnel Management Code of Conduct and Employee Performance Files (SEC-38) system is used to verify employee and agency compliance with law, regulation, case decisions, agency policies, and the Collective Bargaining Agreement. Minor administrative changes to SEC-38 have been incorporated to reflect the Commission’s current address in the following sections: System Location; and Notification, Access and Contesting Records Procedures. Substantive changes to the notice have been made to the following sections: (1) System Name, reflecting the new title: “Disciplinary and Adverse Actions, Employee Conduct, and Labor Relations Files”; (2) Categories of Records, deleting records no longer maintained in this system; and (3) Routine Uses, adding certain standard routine uses as applicable to this system of records (those numbered 1, 2, 4, 5, 6, 7, 8, and 9). On September 8, 2009 (74 FR 46254), the Commission published notice that records related to the Ethics Conduct Rules applicable to Commission Members and employees, including reports on securities transactions, holdings, and accounts required by applicable Federal securities laws and regulations, which were previously contained in SEC-38, would be maintained in a new systems of records titled: Ethics Conduct Rules Files (SEC-60). The Categories of Records Section of SEC-38 has been revised to reflect the removal of these records.

As described in the last published notice, the Enforcement Files (SEC-42) system will be used for purposes of the Commission’s investigations and actions to enforce the Federal securities laws. Additionally, the information in the system is used in conjunction with the collection of amounts ordered to be paid in enforcement actions. Minor administrative changes to SEC-42 have been incorporated to reflect the Commission’s current address in the following sections: System Location;
