SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64521; File No. SR-NYSEAmex-2011-34]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing of Proposed Rule Change Amending NYSE Amex Equities Rule 70.40(3) To Permit Member Organizations to Engage in Proprietary Trading From Their Approved Booth Premises in Certain OTC Bulletin Board and OTC Markets Securities

May 19, 2011.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on May 11, 2011, NYSE Amex LLC (the "Exchange" or "NYSE Amex") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared

by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Amex Equities Rule 70.40(3) to permit member organizations to engage in proprietary trading from their approved booth premises in certain OTC Bulletin Board ("OTCBB") and OTC Markets⁴ securities. The text of the proposed rule change is available at the Exchange, at <http://www.nyse.com>, at the Commission's Public Reference Room, and on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Amex Equities Rule 70.40(3) to permit member organizations to engage in proprietary trading from their approved booth premises in certain OTCBB and OTC Markets securities.⁵

In June 2007, the New York Stock Exchange LLC ("NYSE") adopted NYSE Rule 70.40, which permits a member organization to operate its booth premises on the NYSE Floor in a manner similar to its "upstairs" office, thereby allowing member organizations to access other markets and trade a wider array of products from their booth premises and thus operate more

efficiently and competitively.⁶ At the time that NYSE Rule 70.40 was adopted, it included certain conditions and limitations on such trading, including that only trading on behalf of customers would be permitted. In October 2008, the Exchange adopted NYSE Amex Equities Rule 70.40, which is identical to NYSE Rule 70.40.⁷ As such, NYSE Rule Amex Equities 70.40(3) prohibits member organizations approved to operate booth premises pursuant to such Rule from effecting any transaction from their approved booth premises for their own account, the account of an associated person, or an account with respect to which they or an associated person thereof exercise investment discretion on the Exchange.

After more than two years of experience with NYSE Amex Equities Rule 70.40, member organizations have requested that certain types of proprietary trading be permitted under the Rule, and the Exchange has determined that it is appropriate to do so. Therefore, the Exchange proposes to revise NYSE Amex Equities Rule 70.40(3) to permit member organizations to effect transactions in the common, preferred, and debt securities of an operating company that is quoted on the OTC Bulletin Board or OTC Markets (an "OTC Security") from their approved booth premises for their own account, the account of an associated person, or an account with respect to which they or an associated person thereof exercise investment discretion, except that such member organizations could not effect such transactions in an OTC Security that is related to a security listed or traded on the Exchange or NYSE.⁸ Because trading would be limited to the common, preferred, and debt securities of an operating company, a member organization could not trade in an index-based or derivative security (e.g.,

Under NYSE Rule 70.40, only Floor brokers may conduct activity from booth premises.

⁷ See Securities Exchange Act Release No. 58705 (October 1, 2008), 73 FR 58995 (October 8, 2008) (SR-Amex-2008-63) (Order Granting Approval of Proposed Rule Change to Establish New Membership, Member Firm Conduct, and Equity Trading Rules Following the Exchange's Acquisition by NYSE Euronext). Under NYSE Amex Equities Rule 70.40, only Floor brokers may conduct activity from booth premises.

⁸ Since the merger of NYSE and NYSE Amex in 2008, the exchanges have conducted equity trading from the same Trading Floor, and NYSE Amex has conducted options trading in rooms adjacent the Trading Floor. See Securities Exchange Act Release No. 58673 (September 29, 2008) (SR-Amex-2008-62 and SR-NYSE-2008-60), 73 FR 57707 (October 3, 2008), and NYSE Rule 6A.

a right or warrant) that is quoted on the OTCBB or OTC Markets.

Under the proposed rule change, an OTC Security would be considered related to a security listed or traded on the Exchange or NYSE⁹ if:

(b) The OTC Security is subject to a corporate action that relates to the issuer of a security that is listed or traded on the Exchange or NYSE or that underlies an NYSE Amex option, or an affiliate of such issuer;

(c) The OTC Security is issued by an issuer of a security that is a component of a narrow-based security index¹⁰ that is linked to a security that listed or traded on the Exchange or NYSE or that underlies an Amex option; or

(d) The OTC Security is issued by a foreign issuer or is a depository receipt (or the equivalent thereof) for such a security, and a security issued by such foreign issuer or a depository receipt (or the equivalent thereof) for such a security is listed or traded on the Exchange or NYSE or underlies an NYSE Amex option.

Under the proposed rule, a corporate action would be any action by an issuer of an OTC Security or a security listed or traded on the Exchange or NYSE that causes a relationship between the price of the OTC Security and the price of the security that is listed or traded on the Exchange or NYSE or that underlies an NYSE Amex option, such as the announcement of a merger, acquisition, joint venture, spinoff, dissolution, bankruptcy filing or other similar type of event involving the issuers.

The Exchange believes that an NYSE Amex member organization would not have any type of time, place, or information advantage with respect to the proposed proprietary trading activity that could create a potential issue or conflict with respect to the federal securities laws or Exchange rules. A member organization's proprietary transactions in OTC Securities would receive the same treatment as any other investor's transactions in such securities. Consistent with the permitted customer trading under current NYSE Amex Equities Rule 70.40, the Exchange would deem the proposed proprietary transactions to be off-Floor or "upstairs" transactions for purposes of its Rules.¹¹

⁹ Securities listed on The NASDAQ Stock Market are traded on the Exchange pursuant to unlisted trading privileges and thus would be considered a security traded on the Exchange under the proposed rule change. See Rules 500—525—NYSE Amex Equities.

of a security that is listed or traded on the Exchange or NYSE or that underlies an NYSE Amex option, or an affiliate of such issuer;

¹⁰ For purposes of the proposed rule, the definition of narrow-based security index would be the same as the definition in Section 3(a)(55) of the Securities Exchange Act of 1934 (the "Act").

¹¹ Because the transactions would be (1) solely in securities not listed or admitted to unlisted trading

The Exchange believes that member organizations face increased competition as a result of changes in the structure of securities markets and are continually searching for ways to operate more efficiently.¹² The proposed rule change would allow member organizations to expand the types of activities that can be conducted from booth premises and more efficiently use member organization staff.

At the same time, the proposed proprietary transactions in OTC Securities would remain subject to all of the other provisions of NYSE Amex Equities Rule 70.40. First, a member organization would have to obtain approval from NYSE Regulation, Inc. ("NYSER") to engage in proprietary OTC Securities trading from booth premises.¹³

Second, all such transactions would be subject to the regulatory requirements that apply to "upstairs" trading, including registration requirements and audit trail requirements applicable to those markets and supervision requirements under NYSE Amex Equities Rule 342.¹⁴

Finally, a member organization would be required to adopt and implement comprehensive written procedures governing the conduct and supervision of proprietary trading in OTC Securities handled through the booth and the staff responsible for such activities; such procedures must be reasonably designed to ensure that the member organization would be trading in compliance with the requirements of NYSE Amex Equities Rule 70.40, including that it is not effecting transactions from booth premises in OTC Securities that are related to securities listed or traded on the Exchange or NYSE. A member organization would be required to obtain NYSER approval of such written procedures before such trading commences.¹⁵ A member organization would be required to regularly review such procedures and compliance therewith, and obtain approval from

privileges on NYSE Amex or NYSE, and (2) deemed initiated from off the Floor of NYSE Amex, NYSE Amex does not believe that Section 11(a) of the Act or the rules thereunder would be implicated by the proposed rule change.

¹² See *supra* note 6.

¹³ NYSE Amex Equities Rule 70.40(1).

¹⁴ NYSE Amex Equities Rule 70.40(4) and (5).

¹⁵ If a member organization had already obtained approval to operate a booth premises under NYSE Amex Equities Rule 70.40, it would still be required to update its written procedures to address proprietary trading in OTC Securities and obtain NYSER approval under NYSE Amex Equities Rule 70.40(7).

NYSER of any subsequent changes to such procedures.¹⁶

At a minimum, such written procedures must require the member organization to exercise due diligence before commencing trading in an OTC Security from the booth premises pursuant to this Rule to ensure that such trading is in compliance with the requirements of this Rule and that the member organization has procedures to monitor its trading activity in order to remain in compliance. A member organization must have supervisory systems in place that produce records sufficient to reconstruct, in a time-sequenced manner, all orders with respect to which the member organization is trading from the booth premises under this Rule. The member organization must be able to demonstrate which OTC Security transactions were effected from the booth premises (as compared to off-Floor trading, if applicable). If the member organization could not demonstrate which trading is from the booth premises, the Exchange would presume that all such trading was effected from the booth premises.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed rule change provides member organizations with a means to remain competitive in view of changes in the markets by permitting Floor brokers to engage in proprietary trading in certain OTC Securities from their booth premises. Such trading offers member organizations no time, place, or information advantage but permits them to more fully utilize booth staff and thereby operate their booth premises more efficiently in conjunction with upstairs trading. The permitted proprietary trading activity in OTC Securities would remain subject to robust, existing regulatory requirements that serve to foster just and equitable principles of trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) As the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, *the Commission will:*

- (A) by order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. *Comments may be submitted by any of the following methods:*

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64523; File No. SR-NYSEArca-2011-29]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Rule 7.31(h)(5) To Reduce the Minimum Order Entry Size of a Mid-Point Passive Liquidity Order From 100 Shares to One Share

May 19, 2011.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on May 11, 2011, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.31(h)(5) to reduce the minimum order entry size of a Mid-Point Passive Liquidity Order ("MPL Order") from 100 shares to one share. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, <http://www.nyse.com>, and the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7.31(h)(5) to reduce the minimum order entry size of an MPL Order from 100 shares to one share.

MPL Orders were initially designed to accommodate larger customer transactions and required a minimum order entry size of 1,000 shares.⁴ The Exchange reduced the minimum order entry size from 1,000 shares to 100 shares shortly after implementing MPL Orders to permit Users to enter MPL Orders for smaller sized order flow, including orders of retail customers.⁵

The Exchange believes that reducing the minimum order entry size from 100 shares to one share would further enhance opportunities for execution on the Exchange using MPL Orders, especially with respect to retail customer orders that are often smaller than one round lot of 100 shares.

The Exchange also proposes to reduce the specified minimum executable size
