

(the Board) by the Ports of Indiana, grantee of Foreign-Trade Zone 170, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09 (correction 74 FR 3987, 1/22/09); 75 FR 71069–71070, 11/22/10). The ASF is an option for grantees to the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u) and the regulations of the Board (15 CFR part 400). It was formally filed on May 23, 2011.

FTZ 170 was approved by the Board on December 27, 1990 (Board Order 495, 56 FR 673, 1/8/91) and expanded on July 23, 1997 (Board Order 907, 62 FR 40796, 7/30/97) and September 24, 2004 (Board Order 1355, 69 FR 58884, 10/1/04). FTZ 170 was reorganized under the ASF on August 31, 2010 (Board Order 1704, 75 FR 55309, 9/10/2010). The zone project currently has a service area that includes Jackson, Washington, Harrison, Floyd, Clark and Scott Counties, Indiana.

The applicant is now requesting authority to expand the service area of the zone to include Jefferson, Ripley, Dearborn, Brown, Ohio and Switzerland Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The proposed expanded service area is adjacent to the Louisville, Kentucky and Cincinnati, Ohio Customs and Border Protection Ports of Entry

In accordance with the Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

### Foreign-Trade Zones Board

[Docket 35–2011]

#### Proposed Foreign-Trade Zone—Eloy, AZ; Application

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the City of Eloy to establish a general-purpose foreign-trade zone at sites in Pinal County, Arizona, adjacent to the Phoenix U.S. Customs and Border Protection port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 23, 2011. The applicant is authorized to make the proposal under Arizona Statute 44–6501.

The proposed zone would be the fourth general-purpose zone serving the Phoenix U.S. Customs and Border Protection port of entry. The existing zones are as follows: FTZ 75, Phoenix, Arizona (*Grantee*: City of Phoenix, Board Order 185, 3/25/82); FTZ 221, Mesa, Arizona (*Grantee*: City of Mesa, Board Order 883, 4/25/97); and, FTZ 277, Western Maricopa County, Arizona (*Grantee*: Greater Maricopa Foreign Trade Zone, Inc.).

The proposed zone would consist of 4 sites covering approximately 918 acres in the Eloy (Pinal County), Arizona area: Proposed Site 1 (81 acres)—two parcels located at the intersection of Houser Road and Eleven Mile Corner Road, Eloy; proposed Site 2 (277 acres)—Sunshine Industrial Park, located at the intersection of Interstate 10 and Sunshine Boulevard, Eloy; proposed Site 3 (279 acres)—Toltec Business Park, located at the intersection of Houser Road and Toltec Road, Eloy; and, proposed Site 4 (293 acres)—Red Rock Industrial Park, located along Interstate

10 and the Union Pacific Railroad line opposite Sasco Road, Red Rock. The sites are owned by the City of Eloy (Site 1), Walton International Group (USA), Inc. and Walton Arizona, LLC (Site 2), Walton International Group (USA), Inc. (Site 3) and Walton International Group (USA), Inc and Walton Arizona, LLC (Site 4).

The application indicates that the need for zone services in the southern Pinal County area is not adequately served by any existing zone. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities for a variety of products. Specific manufacturing approvals are not being sought at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board’s Executive Secretary at the address below. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 10, 2011.
