Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“the Department”) is extending the time limit for the preliminary results of the administrative review of certain new pneumatic off-the-road tires from the People's Republic of China (“PRC”). This review covers the period September 1, 2009, through August 31, 2010.

DATES: *Effective Date:* June 1, 2011.

FOR FURTHER INFORMATION CONTACT: Erin Begnal or Raquel Silva, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–1442 or (202) 482–6475, respectively.

Background

On October 28, 2010, the Department published in the **Federal Register** a notice of initiation of the second administrative review of the antidumping duty order on certain new pneumatic off-the-road tires from the PRC. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 75 FR 66349 (October 28, 2010). The preliminary results of this review are currently due no later than June 2, 2011.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the

Act”), requires the Department to issue its preliminary results within 245 days after the last day of the anniversary month of an order for which a review is requested and to issue its final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

The Department has determined that it is not practicable to complete the instant administrative review within the original time limits established by section 751(a)(3)(A) of the Act because we require additional time to analyze questionnaire and supplemental questionnaire responses, to issue additional supplemental questionnaires if necessary, and to evaluate the most appropriate surrogate values on the administrative record to use in this segment of the proceeding. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completing the preliminary results of the instant administrative review until September 30, 2011, which is 365 days after the last day of the anniversary month of the date of publication of the order. The deadline for the final results of this review continues to be 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: May 25, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Forged Stainless Steel Flanges From India: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from an interested party, the Department of Commerce (the Department) initiated an administrative review of the

antidumping duty order on forged stainless steel flanges from India. The period of review is February 1, 2010, through January 22, 2011. Based on the withdrawal of request for review submitted by Pradeep Metals Limited, the sole respondent in this proceeding, we are now rescinding this administrative review.

DATES: *Effective Date:* June 1, 2011.

FOR FURTHER INFORMATION CONTACT: Steve Bezirganian or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1131 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2011, the Department published a notice announcing an opportunity for interested parties to request an administrative review of the antidumping duty order on forged stainless steel flanges from India. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 76 FR 5559 (February 1, 2011). Pradeep Metals Limited requested an administrative review of entries of its subject merchandise and, based on that request, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on forged stainless steel flanges from India covering the period February 1, 2010, through January 22, 2011. *See Initiation of Antidumping Duty Administrative Reviews, Requests for Revocation in Part, and Deferral of Administrative Review*, 76 FR 17825 (March 31, 2011). On May 10, 2011, the Department received a letter from Pradeep Metals Limited, withdrawing its request for an administrative review.

Rescission of Review

19 CFR 351.213(d)(1) of the Department's regulations provides that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the publication of the notice of initiation of the requested review, or withdraws at a later date if the Department determines it is reasonable to extend the time limit for withdrawing the request. Pradeep Metals Limited withdrew its request within 90 days of the publication of the notice of initiation. Therefore, the Department is rescinding this review.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For Pradeep Metals Limited, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: May 25, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
