FOR FURTHER INFORMATION CONTACT: Laura Morse or Carrie Hubbard, (301) 713-2289.

SUPPLEMENTARY INFORMATION: On October 19, 2010, notice was published in the **Federal Register** (75 FR 64247) that a request for a permit to conduct research on bottlenose dolphins had been submitted by the above-named applicant. The requested permit has been issued under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*) and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

The permit authorizes annual takes of up to 15,050 animals for photo-identification and behavioral studies and remote biopsy sampling of up to 100 individual dolphins. Fifty dolphins a year may be captured, examined, sampled, tagged, marked, and released for health assessment studies. Research may occur in the shallow inshore and coastal waters of west Florida out to 50 miles offshore, with a focus along the central west coast, from Clearwater southward to Fort Myers. Females with calves less than one year old will not be captured. The research will provide crucial background information population structure, dynamics, life history, social structure, genetic structure including paternity patterns, and human interactions. The sampling and tagging will support health assessment, auditory system, feeding, and ranging pattern studies. Research will also include assessments of oil spill impacts at individual and population levels. Permit No. 15543 expires on June 1, 2016.

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), a final determination has been made that the activity proposed is categorically

excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Dated: May 26, 2011.

SUPPLEMENTARY INFORMATION:

Additions

On 3/11/2011 (76 FR 13362-13363); 3/25/2011 (76 FR 16733-16734); 4/1/2011 (76 FR 18188-18189); and 4/8/2011 (76 FR 19750-19751), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a

substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. The action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products and services proposed for addition to the Procurement List.
