##### II. Summary of Errors

On page 29250 of the notice in the DATES section, we inadvertently requested that the Office of the Federal Register base the application submission deadline on the 60th day after publication of the notice (that is, July 19, 2011) instead of postmarked on or before July 18, 2011 which was noted in the information posted on our Center for Medicare and Medicaid Innovation (CMMI) Web site and in the Pioneer ACO Application. (For more information see <http://innovations.cms.gov/areas-of-focus/seamless-and-coordinated-care-models/pioneer-aco/>.) Therefore, in section III. of this correction notice, we correct this error by inserting the date of the application submission deadline that coincides with the application submission deadline announced in the Request for Application posted on the CMMI Web site, which is postmarked on or before July 18, 2011.
