Agency Information Collection Request. 60-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed information collection request for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect

of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, e-mail your request, including your address, phone number, OMB number, and OS document identifier, to Sherrette.funncoleman@hhs.gov, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be directed to the OS Paperwork Clearance Officer at the above e-mail address within 60-days.

Proposed Project: The Office of Adolescent Health (OAH) Teen Pregnancy Prevention Performance Measure Collection—OMB No. OS-0990-NEW—Office of Adolescent Health and the Administration for Children, Youth and Families.

Abstract: The Office of Adolescent Health (OAH) and the Administration

for Children, Youth and Families (ACYF), under the U.S. Department of Health and Human Services (HHS), are funding a total of 107 grantees to conduct teen pregnancy prevention programs. Grantees are funded to either replicate evidence-based teen pregnancy prevention programs (75 OAH grantees) or to implement research and demonstration programs to test new and innovative approaches to teen pregnancy prevention (19 OAH grantees and 13 ACYF grantees). Grants are funded for 5 years at levels ranging from \$400,000 to \$4 million per year. Interventions for these different programs vary widely in terms of duration (from 1 day to 4 years), setting (schools, clinics, or community based settings), populations served (middle school students, high school students, parents of teens) and content (e.g., youth development programs or sex education programs). Funding requirements for the grantees included the collection and reporting of data for performance measurement. The performance measure collection is important to OAH and ACYF because it will provide the agency with data both to effectively monitor these programs, and to comply with accountability and Federal performance requirements for the 1993 Government Performance and Results Act (Pub. L. 103-62).

ESTIMATED ANNUALIZED BURDEN TABLE

Forms (if necessary)	Type of respondent	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Perceived impact questions	Youth participating in programs	100,000	1	5/60	8,333
Reporting form for reach	Grantee program staff	107	2	4	856
Tier 1 A/B performance measure reporting form.	Grantee program staff—Tier 1 A/B ..	59	1	19	1,121
Tier 1 C/D and Tier 2/PREIS performance measure reporting form.	Grantee program staff—Tier 1 C/D and Tier 2/PREIS.	48	1	21	1,008
Total	11,318

Send written comments and recommendations for the proposed information collections within 30 days of this notice directly to the OS OMB Desk Officer; faxed to OMB at 202-395-5806.

Proposed Project: Provide Services for the Dissemination of CER to Patients and Providers to Increase Adoption—

OMB No. 0990-New—Assistant Secretary for Planning and Evaluation (ASPE).

Abstract: This research leverages best practices in behavior change, interaction design, and service innovation to increase the understanding and adoption of Comparative Effectiveness Research (CER) information by physicians and patients. By truly understanding the desires, behaviors and attitudes of patients and care providers across various segments, this project can significantly improve the dissemination, translation, and adoption of evidence-based, outcomes-oriented CER findings.

The purpose of this project is “to strengthen the link between evidence production and strategies for conveying this information in ways that encourage evidence-based behavior change among providers and patients. The central question is how best to get CER information to physicians and patients in a way they understand. This task is considered critical to capitalizing on the Department’s CER investment.”

Type of respondent	Form name	Number of respondents	Number responses per respondent	Average burden per response (in hours)	Total burden hours
Practice	Form A: demographics for target population and colon cancer screening rates.	10	2	4	80
Healthcare Providers (Physicians, Nurse Practitioners, Physician Assistants and Nurses).	Form B: tallies when use dashboard and/or show Web-based tool to patient in office.	40	563	1/60	375
Individual/patients	Form C: Experience Survey on Web-based tool.	4,750	1	3/60	238
Healthcare Providers (Physicians, Nurse Practitioners, Physician Assistants, Nurses).	Form D: Experience Survey	40	4	1/60	3
Healthcare Providers (Physicians, Nurse Practitioners, Physician Assistants, Nurses).	Discussion Group	32	2	2	128
Individual/patients	Discussion Group	48	2	2	192
Total	1,016
