SUPPLEMENTARY INFORMATION: Maritime Administration (MARAD).

Title: U.S. Port and Terminal Inventory Survey.

OMB Control Number: 2133-0539.

Type of Request: Extension of currently approved collection.

Affected Public: U.S. Ports and Terminals.

Form(s): MA-1049.

Abstract: This biennial survey will assist MARAD in determining the number and type of facilities available for moving cargo. Emphasis will be on throughput capacity and the adequacy of the number and type of terminals available to move cargo efficiently through the U.S. global freight transportation system. The survey will also provide an overview of ownership of marine terminals in the United States. The survey results will serve as an indicator of the type of investment funds needed to meet future infrastructure requirements.

Annual Estimated Burden Hours: 954 hours.

Addressee: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW., Washington, DC 20503, Attention MARAD Desk Officer.

Comments Are Invited On: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication.

Authority: 49 CFR 1.66.

Issued in Washington, DC.

SUPPLEMENTARY INFORMATION: Section 1320.8(d), Title 5, Code of Federal Regulations, requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies an information collection request that PHMSA will be submitting to OMB for renewal and extension. The information collection expires October 31, 2011, and is identified under Control No. 2137-0622, titled: "Pipeline Safety: Public Awareness Program." The following information is provided for this information collection: (1) Title of the information collection; (2) OMB control number; (3) Type of request; (4) Abstract of the information collection activity; (5) Description of affected public; (6) Estimate of total annual reporting and recordkeeping burden; and (7) Frequency of collection. PHMSA will request a three-year term of approval for this information collection activity. PHMSA requests comments on the following information collection:

Title: Pipeline Safety: Public Awareness Program.

OMB Control Number: 2137-0622.

Type of Request: Renewal of a currently approved information collection.

Abstract: The Federal Pipeline Safety Regulations require each operator to develop and implement a written continuing public education program that follows the guidance provided in the American Petroleum Institute's Recommended Practice RP 1162. Upon request, operators must submit their completed programs to PHMSA or, in the case of an intrastate pipeline facility operator, the appropriate state agency. The operator's program documentation and evaluation results must also be available for periodic review by appropriate regulatory agencies (49 CFR 192.616 and 195.440).

Affected Public: Operators of Natural Gas and Hazardous Liquid pipelines.

Estimated number of responses: 22,500.

Estimated annual burden hours: 517,480 hours.

Frequency of collection: Annual.

Comments are invited on:

(a) The need for the proposed collection of information for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques.

Issued in Washington, DC on June 3, 2011.

Linda Daugherty,

Deputy Associate Administrator for Policy and Programs.

Background

On June 26, 2001, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) ("IEEPA"), issued E.O. 13219. In E.O. 13219, the President declared a national emergency to deal with the threat to stability and security in the Western Balkans region. On May 28, 2003, the President, invoking the authority of, *inter alia*, IEEPA, issued E.O. 13304, in order to, *inter alia*, take additional steps with respect to the national emergency declared in E.O. 13219. Section 1 of E.O. 13219, as amended by E.O. 13304, blocks, with certain exceptions, all property and interests in property that
