SUPPLEMENTARY INFORMATION: OEC, formed under Title XVIII of the Homeland Security Act of 2002, 6 U.S.C. 101 *et seq.*, as amended, was established to promote, facilitate, and support the continued advancement of communications capabilities for emergency responders across the Nation. The Broad Stakeholder Survey is designed to gather stakeholder feedback on the effectiveness of OEC services and to gather input on challenges and initiatives for interoperable emergency communications. The Broad Stakeholder Survey will be conducted electronically.

OMB is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
