Description of Information Collection:

The Department of Defense and Full-Year Continuing Appropriations Act, 2011 (Pub. L. 112-10, approved April 15, 2011) (Appropriations Act), provided \$30,000,000 for HUD's Community Challenge Planning Grant Program.

HUD's \$30 million Community Challenge Planning Grant Program will foster reform and reduce barriers to achieving affordable, economically vital, and sustainable communities. Such efforts may include amending or replacing local master plans, zoning codes, and building codes, either on a jurisdiction wide basis or in a specific neighborhood, district, corridor, or sector to promote mixed-use development, affordable housing, the

reuse of older buildings and structures for new purposes, and similar activities with the goal of promoting sustainability at the local or neighborhood level. HUD's Community Challenge Planning Grant Program also supports the development of affordable housing through the development and adoption of inclusionary zoning ordinances and other activities such as acquisition of land for affordable housing projects.

In fiscal year 2010 a joint Notice of Funding Availability was issued for HUD's Community Challenge Planning Grant program and DOT's TIGER II Planning Grant program, as a result both agencies successfully awarded 14 joint grants. This fiscal year DOT did not receive transportation planning funds as part of the National Infrastructure Investments program therefore a joint NOFA will not be issued.
