II. Extension of Comment Period for Draft CGP

A. Draft CGP

On April 25, 2011, EPA announced in the **Federal Register** the publication of proposed modifications to the next iteration of its CGP. See 79 FR 22882. The **Federal Register** notice provided summary details of the changes in the proposed permit, as compared to the existing CGP, and the supporting legislative and regulatory background behind these modifications. A key difference between the draft CGP and past versions of the permit is the fact that for the first time EPA's permit is required to include new requirements promulgated by the Agency in its Construction and Development Effluent Limitations Guidelines and New Source Performance Standards, also referred to as the "C&D rule". Copies of the draft permit are available on EPA's Web site at <http://cfpub.epa.gov/npdes/stormwater/cgp.cfm>. More information regarding EPA's C&D rule can be found at <http://water.epa.gov/scitech/wastetech/guide/construction/index.cfm>.

B. Extension of Comment Period

EPA is extending the deadline for submitting comments on the draft CGP to July 11, 2011. The original deadline for comments, based on a 60-day comment period, was June 24, 2011. EPA's decision responds to a request from several organizations to extend the comment deadline in order to provide a longer period of time in which to provide comments. EPA is hopeful that

this 17-day extension, although not as long as the 60-day extension that at least one organization requested, will assist in providing an adequate amount of additional time for these organizations as well as other members of the public to review the draft permit and to provide written comments.

Notice

In accordance with Section 309(a) of the Clean Air Act, EPA is required to make its comments on EISs issued by other Federal agencies public. Historically, EPA met this mandate by publishing weekly notices of availability of EPA comments, which includes a brief summary of EPA's comment letters, in the **Federal Register**. Since February 2008, EPA has included its comment letters on EISs on its Web site at: <http://www.epa.gov/compliance/nepa/eisdata.html>. Including the entire EIS comment letters on the Web site satisfies the Section 309(a) requirement to make EPA's comments on EISs available to the public. Accordingly, on March 31, 2010, EPA discontinued the publication of the notice of availability of EPA comments in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

I. Selection for Community Support Review

Section 10(g)(1) of the Federal Home Loan Bank Act (Bank Act) requires FHFA to promulgate regulations establishing standards of community investment or service Bank members must meet in order to maintain access to long-term advances. See 12 U.S.C. 1430(g)(1). The regulations promulgated by FHFA must take into account factors such as the Bank member's performance under the Community Reinvestment Act of 1977 (CRA), 12 U.S.C. 2901 et seq., and record of lending to first-time homebuyers. See 12 U.S.C. 1430(g)(2). Pursuant to section 10(g) of the Bank Act, FHFA has promulgated a community support requirements regulation that establishes standards a Bank member must meet in order to

maintain access to long-term advances, and review criteria FHFA must apply in evaluating a member's community support performance. See 12 CFR Part 1290. The regulation includes standards and criteria for the two statutory factors—CRA performance and record of lending to first-time homebuyers. 12 CFR 1290.3. Only members subject to the CRA must meet the CRA standard. 12 CFR 1290.3(b). All members, including those not subject to CRA, must meet the first-time homebuyer standard. 12 CFR 1290.3(c).

Under the rule, FHFA selects approximately one-eighth of the members in each Bank district for community support review each calendar quarter. 12 CFR 1290.2(a). FHFA will not review an institution's community support performance until it has been a Bank member for at least one year. Selection for review is not, nor should it be construed as, any indication of either the financial condition or the community support performance of the member.

Each Bank member selected for review must complete a Community Support Statement and submit it to FHFA by the August 1, 2011 deadline prescribed in this notice. 12 CFR 1290.2(b)(1)(ii) and (c). On or before July 1, 2011, each Bank will notify the members in its district that have been selected for the 2010 third round community support review cycle that they must complete and submit to FHFA by the deadline a Community Support Statement. 12 CFR 1290.2(b)(2)(i). The member's Bank will provide a blank Community Support Statement Form (OMB No. 2590-0005), which also is available on the FHFA's Web site: http://www.fhfa.gov/webfiles/2924/FHFAForm060.pdf. Upon request, the member's Bank also will provide assistance in completing the Community Support Statement.

FHFA has selected the following members for the 2010 third round community support review cycle:
