

Officer, Pacific Fishery Management Council; *telephone*: (503) 820-2280.

SUPPLEMENTARY INFORMATION: The purpose of the work session is to review work products, including possible bias in the Fishery Regulation Assessment Model (FRAM) associated with multiple encounters during mark selective fisheries. The results of the analyses will be submitted for review during the Council's 2011 salmon methodology review process.

Although non-emergency issues not contained in the meeting agendas may come before the MEW for discussion, those issues may not be the subject of formal action during the meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt at (503) 820-2280 at least 5 days prior to the meeting date.

Dated: June 20, 2011.
