Medicare Part D Subsidies Regulations—20 CFR 418.3625, 418.3645, 418.3665(a), and 418.3670—0960–0702. The Medicare Prescription Drug Improvement and Modernization Act (MMA) of 2003 established the Medicare Part D program for voluntary prescription drug coverage of premium, deductible, and co-payment costs for certain low-income individuals. The MMA also mandated the provision of subsidies for those individuals who qualify for the program and who meet eligibility criteria for help with premium, deductible, or co-payment costs. This law requires SSA to make eligibility determinations and to provide a process for appealing SSA's determinations. Regulation sections 418.3625(c), 418.3645, 418.3665(a), and 418.3670 contain public reporting requirements pertaining to administrative review hearings. Respondents are applicants for the Medicare Part D subsidies who request an administrative review hearing.

Medical Permit Parking Application—41 CFR 101–20.104–2—0960–0624

SSA employees and contractors with a qualifying medical condition who park at SSA-owned and SSA-leased facilities may receive a medical parking permit. SSA uses three forms as part of this program: (1) SSA–3192, Physician's Report (the applicant's physician completes this to verify the medical condition); (2) SSA–3193, Application and Statement (the person seeking the permit completes this when first applying for the medical parking space); and (3) SSA–3194, Renewal Certification (medical parking permit holders complete this to verify their continued need for the permit). The respondents are SSA employees and contractors seeking medical parking permits and their physicians. **Note:** Because SSA employees are Federal workers exempt from the requirements of the Paperwork Reduction Act, the burden below is only for SSA contractors and physicians (of both SSA employees and contractors).

1. Electronic Benefit Verification Information (BEVE)—20 CFR 401.40—0960–0595

The electronic proof of income (POI) verification Internet service, BEVE, provides Supplemental Security Income (SSI) recipients, Social Security beneficiaries, and Medicare beneficiaries the convenience of requesting a POI statement through the Internet. Beneficiaries and SSI recipients often require POI to obtain housing, food stamps, or other public services. After verifying the requester's identity, SSA uses the information from BEVE to provide the POI statement. SSA will enhance the current BEVE Internet application with the release of the new Internet Request a Benefit Verification Letter (iBEVE) application. The implementation of iBEVE is contingent upon our release of SSA's new Public Credentialing and Authentication Process and the *MySocialSecurity.gov* initiatives. We are revising the information collection to include the release of the iBEVE application. The respondents are Social Security beneficiaries, Medicare beneficiaries, and SSI recipients.

Type of Request: Revision of an OMB-approved information collection.
