**DEPARTMENT OF THE INTERIOR**

**Notice of an Open Meeting of the Advisory Committee on Water Information**

**AGENCY:** United States Geological Survey.

**ACTION:** Notice of an open meeting of the Advisory Committee on Water Information (ACWI).

**SUMMARY:** Notice is hereby given of a meeting of the ACWI. This meeting is to discuss broad policy-related topics relating to national water initiatives, and the development and dissemination of water information, through reports from ACWI subgroups. The agenda will include an update on the Department of the Interior WaterSMART initiative; an update by the Subcommittee on Ground Water regarding their National Framework for Ground Water Monitoring; a discussion of the SECURE Water Act and its implications for ACWI and its subcommittees; a discussion of a new reference network for surface-water sites; a briefing on the Reservoir Sedimentation Database; an update on preparations for the 8th National Monitoring Conference, which will be held in 2012 in Portland, Oregon; an update on the National Monitoring Network for U.S. Coastal Waters and their Tributaries, and other activities of the National Water Quality Monitoring Council; and a briefing on WaterFALL™, a Watershed Flow and Allocation Model developed by the Triangle Research Institute.

The ACWI was established under the authority of the Office of Management and Budget Memorandum M-92-01 and the Federal Advisory Committee Act. The purpose of the ACWI is to provide a forum for water information users and professionals to advise the Federal Government on activities and plans that may improve the effectiveness of meeting the Nation's water information needs. Member organizations help to foster communications between the Federal and non-Federal sectors on sharing water information.
