

invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before July 25, 2011. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5 p.m. at the U.S. Department of Commerce in Room 3720.

Docket Number: 11–032. *Applicant:* Southern Illinois University, Integrated Microscopy and Graphic Expertise (IMAGE) Center, 750 Communications Drive—Mailcode 4402, Carbondale, IL 62901. *Instrument:* Quanta 450 scanning electron microscope. *Manufacturer:* FEI Company, Czech Republic. *Intended Use:* The instrument will be used to study nanowires, nanocatalysts, nanotubes, nanolubricants, geological specimens, synthetic hip joints, and cellulose (wood chips), for their molecular components and properties. *Justification for Duty-Free Entry:* No instruments of the same general category, or instruments otherwise applicable for the intended purpose, are being manufactured in the United States. *Application accepted by Commissioner of Customs:* June 10, 2011.

Docket Number: 11–037. *Applicant:* Tulane University, 6823 St. Charles Avenue, New Orleans, LA 70118. *Instrument:* Field-emission transmission electron microscope. *Manufacturer:* FEI Company, the Netherlands. *Intended Use:* The instrument will enhance the research resources available to new faculty across a range of scientific and engineering disciplines doing a variety of research projects involving organic and inorganic materials at the nano, molecular and cellular levels. *Justification for Duty-Free Entry:* No instruments manufactured in the United States can meet the high-resolution, cryo-enabled and field-emission technical requirements for the intended uses. *Application accepted by Commissioner of Customs:* June 16, 2011.

Docket Number: 11–038. *Applicant:* Battelle Memorial Institute, Pacific Northwest National Laboratory, 3335 Q Avenue, Richland, WA 99354. *Instrument:* Scanning transmission electron microscope. *Manufacturer:* FEI Company, the Netherlands. *Intended Use:* The instrument will replace an old existing transmission electron microscope to meet the current

technical requirements for research and study relating to geochemistry, nanostructured and energy-related materials, catalysis imaging, and structural and chemical composition. *Justification for Duty-Free Entry:* No instruments of the same general category, or instruments otherwise applicable for the intended purpose, are being manufactured in the United States. *Application accepted by Commissioner of Customs:* June 15, 2011.

Dated: June 28, 2011.

Gregory W. Campbell,

Director, Subsidies Enforcement Office, Office of Policy, Import Administration.

BILLING CODE 3510–DS–P

DEPARTMENT OF COMMERCE

International Trade Administration

[C–570–944]

Certain Oil Country Tubular Goods From the People's Republic of China: Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 5, 2011.

FOR FURTHER INFORMATION CONTACT: Mary Kolberg at (202) 482–1785; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On January 3, 2011, the Department of Commerce (“the Department”) published a notice announcing the opportunity to request an administrative review of the countervailing duty order on certain oil country tubular goods (“OCTG”) from the People’s Republic of China (“PRC”). *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 90 (January 3, 2011). On January 31, 2011, United States Steel Corporation and Maverick Tube Corporation (collectively, “Petitioners”), domestic producers of OCTG, timely requested that the Department conduct an administrative review of 243 producers and/or exporters of the subject merchandise covering the period of January 20, 2010, through December 31, 2010. In accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice initiating this

administrative review. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 76 FR 10329 (February 24, 2011).

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. On May 25, 2011, Petitioners withdrew their request for review of all 243 exporters and producers within the 90-day period. Therefore, in response to Petitioners’ timely withdrawal request, and as no other party requested a review, the Department is rescinding this administrative review.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess countervailing duties on all appropriate entries. For the companies for which this review is rescinded, the countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/ destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice of rescission is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act, as amended, and 19 CFR 351.213(d)(4).

Dated: June 27, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
