

The center will disseminate information regarding what works to prevent and intervene with school truancy and dropout problems and promote the use of evidence-based practices through training, technical assistance, and resources.

State Juvenile Justice Formula and Block Grants Training and Technical Assistance Program

OJJDP will award a cooperative agreement to an organization that will provide training and technical assistance to national, state, and local-level grantees and non-grantees that will assist them in planning, establishing, operating, coordinating, and evaluating delinquency prevention and juvenile justice systems improvement projects. Training and technical assistance topic areas will fall under the Title II Formula Grants and Juvenile Accountability Block Grants (JABG) program areas. The successful applicant shall develop, enhance, and refine OJJDP program-specific training, on, but not limited to, state and local level disproportionate minority contact reduction strategies, state-level compliance monitoring, graduated sanctions, and juvenile justice systems improvement efforts. Additionally, the selected organization will coordinate the State Relations and Assistance Division's national training conferences.

Continuations

In FY 2011, OJJDP will continue to support:

- Child Abuse Training for Judicial and Court Personnel.
- Engaging Law Enforcement To Reduce Juvenile Crime, Victimization, and Delinquency.
- State Advisory Group Training and Technical Assistance Project.

Fellowships

OJJDP's fellowship program is designed to enhance the Office's efforts to develop and improve innovative programs that serve children, youth, and families. A secondary goal is to provide practitioners an opportunity to work closely with career and political Federal staff, contractors, grantees, and other public and private organizations in Washington, DC, and across the country. The fellow will provide direct operational assistance to OJJDP staff through assessment and capacity building, design and development of innovative initiatives and training programs, resource development, research and evaluation, policy development, and outreach and awareness. The fellow will also develop

articles for publication and other products on specific topics.

Concentration of Federal Efforts Fellowship

OJJDP will fund a fellow in the Concentration of Federal Efforts program for 2 years to strengthen the Office's cross-agency partnership efforts. Currently, OJJDP staff and leadership participate in dozens of interagency efforts. The fellow will build on related ongoing work of other Federal agencies, develop new cross-agency partnerships and initiatives, identify and assess opportunities for cross-agency partnerships, and track the impact of existing partnership efforts.

Sony Music Holdings, Inc., D/B/A Sony DADC Americas, a Subsidiary of Sony Corporation of America Including On-Site Leased Workers From Employment Plus, Aerotek, and Robert Half, Pitman, NJ; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated June 15, 2011, a petitioner requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of Sony Music Holdings, Inc. ("SMHI"), d/b/a Sony DADC Americas, a subsidiary of Sony Corporation of America, including on-site leased workers from Employment Plus, Aerotek, and Robert Half, Pitman, New Jersey (subject firm). The negative determination was issued on May 19, 2011. The Department's Notice of Determination was published in the **Federal Register** on June 3, 2011 (76 FR 32229). The workers were engaged in activities related to the production of optical discs containing content.

The negative determination was based on the findings that there was no increase in imports of optical discs (or like or directly competitive articles) by the subject firm or its customers and no shift to or acquisition from a foreign country by the workers' firm of

production of articles like or directly competitive with the optical discs produced by the subject firm.

In the request for reconsideration, the petitioner stated that "There was a shift by the workers' firm to a foreign country in the production of articles like those produced by the Sony DADC-Pitman site. The attached documents illustrate the project plan by 'SMHI' to expand customers and increase capacity and services in the Sony Nuevo Laredo plant located in Mexico." The documents include a "Sony DADC Communique, Volume 3, Issue 1" (dated January/February 2010), a "Sony Nuevo Laredo Project Plan" (undated), copies of shipping documents, and copies of electronic mail messages.

The Department has carefully reviewed the petitioner's request for reconsideration and the existing record, and has determined that the Department will conduct further investigation to determine if the petitioning workers meet the eligibility requirements of the Trade Act of 1974, as amended.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 28th day of June, 2011.

Del Min Amy Chen,

Certifying Officer, Office of Trade Adjustment Assistance.
