## VII. Award Administration Information

### A. Award Notices

RUS recognizes that each funded project is unique, and therefore may attach conditions to different projects' award documents. The Agency generally notifies applicants whose projects are selected for awards by faxing an award letter. The Agency follows the award letter with a grant agreement that contains all the terms and conditions for the grant. An applicant must execute and return the grant agreement, accompanied by any additional items required by the grant agreement.

### B. Administrative and National Policy Requirements

The items listed in Section V of this notice and the Delta Health Care Services Grant Application Guide and accompanying materials implement the appropriate administrative and national policy requirements.

### C. Performance Reporting

All recipients of Delta Health Care Services Grant Program financial assistance must provide annual performance activity reports to RUS until the project is complete and the funds are expended. A final performance report is also required; the final report may serve as the last annual report. The final report must include an evaluation of the success of the project.

### D. Recipient and Subrecipient Reporting

The applicant must have the necessary processes and systems in place to comply with the reporting requirements for first-tier sub-awards and executive compensation under the Federal Funding Accountability and Transparency Act of 2006 in the event the applicant receives funding unless such applicant is exempt from such reporting requirements pursuant to 2 CFR part 170, § 170.110(b). The reporting requirements under the Transparency Act pursuant to 2 CFR part 170 are as follows:

1. First Tier Sub-Awards of \$25,000 or more in non-Recovery Act funds (unless they are exempt under 2 CFR part 170) must be reported by the Recipient to <http://www.fsrs.gov> no later than the end of the month following the month the obligation was made.

2. The Total Compensation of the Recipient's Executives (5 most highly compensated executives) must be reported by the Recipient (if the Recipient meets the criteria under 2 CFR part 170) to <http://www.ccr.gov> by the

end of the month following the month in which the award was made.

3. The Total Compensation of the Subrecipient's Executives (5 most highly compensated executives) must be reported by the Subrecipient (if the Subrecipient meets the criteria under 2 CFR part 170) to the Recipient by the end of the month following the month in which the subaward was made.

### Certain Cased Pencils From the People's Republic of China: Continuation of Antidumping Duty Order

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* July 12, 2011.

**SUMMARY:** As a result of the determinations by the Department of Commerce ("Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty order on certain cased pencils from the People's Republic of China ("PRC") would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty order.

**FOR FURTHER INFORMATION CONTACT:** Mahnaz Khan or Yasmin Nair, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0914 and (202) 482-3813, respectively.

**SUPPLEMENTARY INFORMATION:** On November 1, 2010, the Department published in the **Federal Register** the notice of initiation of the third sunset review of the antidumping duty order on certain cased pencils from the PRC, pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-Year ("Sunset") Review*, 75 FR 67082 (November 1, 2010).

As a result of its review, the Department determined that revocation of the antidumping duty order on certain cased pencils from the PRC would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked.
