Drafting of U.S. Nominations to the World Heritage List

AGENCY: Department of the Interior, National Park Service.
ACTION: Second Notice and Request for Comment.

SUMMARY: This notice constitutes the Second Notice in the **Federal Register** referred to in Sec. 73.7(f) of the World Heritage Program regulations (36 CFR Part 73). It sets forth the decision to request that draft World Heritage nominations for 11 "Frank Lloyd Wright Buildings" (in Arizona, California, Illinois, New York, Oklahoma, Pennsylvania and Wisconsin) and "Poverty Point State Historic Site and National Monument," Louisiana, be prepared, thereby notifying the owners and the public of this decision.

On December 14, 2010 (75 FR 77901), the Department of the Interior requested public comment on which property or properties on the U.S. World Heritage

Tentative List should be nominated next by the United States to the World Heritage List. This was the First Notice in the **Federal Register**, pursuant to 36 CFR 73.7(c). The Tentative List consists of properties that appear to qualify for World Heritage status and which may be considered for nomination by the United States to the World Heritage List. The current Tentative List was transmitted to the UNESCO World Heritage Centre on January 24, 2008.

After review of the comments provided by the public and consultation with the Federal Interagency Panel for World Heritage, the Department, in accordance with 36 CFR Part 73, has selected "Frank Lloyd Wright Buildings" and "Poverty Point State Historic Site and National Monument" from the Tentative List as proposed nominations to the World Heritage List. With the assistance of the Department, the owners of these sites are encouraged to prepare complete nomination documents for the sites in accordance with 36 CFR Part 73 and the nomination format required by the World Heritage Committee. A discussion of the decision, the nomination process and schedule and a summary of the comments as received follows.

Recommendations of the Federal Interagency Panel for World Heritage

The Federal Interagency Panel for World Heritage assists the Department of the Interior in implementing the Convention by making recommendations on U.S. World Heritage policy, procedures, and nominations. The Panel is chaired by the Assistant Secretary for Fish and Wildlife and Parks and includes representatives from various Federal Departments and agencies with Federal land management and policy-making responsibilities. The Panel made its recommendations to the Department of the Interior on the next U.S. World Heritage nominations at a meeting on May 9, 2011.

The Panel agreed by consensus to support the preparation of nominations at this time for "Frank Lloyd Wright Buildings" and "Poverty Point State Historic Site and National Monument." The Panel reviewed the public suggestions for nominations for other properties at this time from the U.S. World Heritage Tentative List but did not recommend the preparation of nominations for any additional or alternate properties, noting that other good candidates on the Tentative List would need more substantial work or assistance before they could be expected to develop viable nominations. Panel members emphasized the considerable
