

amendment to lower total registration fees for off-Exchange traders to respond to competitive pressures. The Exchange believes that these changes will further encourage firms of all sizes to utilize its facilities and services.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. Among other things, these changes to the fee schedule would equitably allocate fees among Participants by increasing fees overall to reflect higher regulatory costs among all Participants as well as allocating the increased costs associated with the Exchange's DEA service among those Participants which utilize the service. In addition, the proposed changes to the Off-Exchange trader registration fee will allow the Exchange to respond to competitive pressures by lowering trader fees for all off-Exchange proprietary trading firms for which CHX is DEA while encouraging firms of all sizes to utilize the Exchange's facilities and services.⁷

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and subparagraph (f)(2) of Rule 19b-4 thereunder⁹ because it establishes or changes a due, fee or other charge applicable to the Exchange's members

and non-members, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
