Pursuant to 10 U.S.C. 2904(a), the Secretary of Defense and the Secretary of Energy, in consultation with the Administrator of the Environmental Protection Agency, shall jointly establish the Strategic Environmental Research and Development Program Scientific Advisory Board. The Advisory Board, pursuant to 10 U.S.C. 2904, shall operate and comply with the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix), and 41 CFR 102–3.50(a).

Pursuant to 10 U.S.C. 2902 and 2904(e), the Strategic Environmental Research and Development Program Council (hereafter referred to as the Council), shall refer to the Advisory Board, and the Advisory Board shall

review, each proposed research project including its estimated cost, for research in and development of technologies related to environmental activities in excess of \$1,000,000. The Council, pursuant to its responsibilities under 10 U.S.C. 2902(d)(1) and in an effort to enhance the Advisory Board's review process, has lowered the Advisory Board's dollar threshold to any proposed research projects in excess of \$900,000. The Advisory Board shall make any recommendations to the Council that the Advisory Board considers appropriate regarding such project or proposal.

The Advisory Board may make recommendations to the Council regarding technologies, research, projects, programs, activities, and, if appropriate, funding within the scope of the Strategic Environmental Research and Development Program. In addition, the Advisory Board shall assist and advise the Council in identifying the environmental data and analytical assistance activities that should be covered by the policies and procedures prescribed pursuant to 10 U.S.C. 2902(d)(1).

Pursuant to 10 U.S.C. 2904(e), the Advisory Board shall make any recommendations to the Council that the Advisory Board considers appropriate regarding projects or proposals.

The Advisory Board, pursuant to 10 U.S.C. 2904(a), shall be comprised of not more than 14 members. Pursuant to 10 U.S.C. 2904(b), the Advisory Board membership shall be comprised of the following:

Such procedures shall define a quorum as a majority of the members, and shall provide for the annual election of the Advisory Board's chairperson. The permanent Advisory Board members, defined above, shall be appointed as regular government employee members, and their appointments shall be based upon their official position in the Federal government. Pursuant to 10 U.S.C. 2904(h), each member of the Advisory Board shall be required to file a financial disclosure report under title I of the Ethics in Government Act of 1978 (5 U.S.C. App.).

Such subcommittees shall not work independently of the chartered Advisory Board, and shall report all their recommendations and advice to the Advisory Board for full deliberation and discussion. Subcommittees have no authority to make decisions on behalf of the chartered Advisory Board; nor can they report directly to the Department of Defense or any Federal officers or employees who are not Advisory Board members. Subcommittee members, who are not Advisory Board members, shall be appointed in the same manner as the Advisory Board members. Such individuals, if not full-time or part-time government employees, shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. 3109, and serve as special government employee members, whose appointments must be renewed on an annual basis.
