

general, to protect investors and the public interest. In this respect, the Exchange is not proposing any changes to the fees within its Fee Schedule, but rather adding definitions for the Strategy Executions that qualify for the transaction fee caps. This change will better inform investors and the public of the necessary requirements for a Strategy Execution to qualify for the fee caps.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)(i)⁹ of the Act and Rule 19b-4(f)(1)¹⁰ thereunder, as constituting a stated interpretation of the meaning, administration and enforcement of an existing rule of the Exchange. The proposed rule change provides definitions for existing terms in the Fee Schedule, and the definitions are consistent with the manner in which the Exchange interpreted those terms. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64903; File No. SR-EDGA-2011-20]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Amendment to EDGA Rule 11.9

July 18, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 13, 2011, EDGA Exchange, Inc. (the "Exchange" or "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 11.9 to make certain changes consistent with the upcoming implementation of the adoption of Rule 15c3-5 under the Act (the "Market Access Rule").³ The text of the proposed rule change is available on the Exchange's Web site at <http://www.directedge.com>, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Purpose

On November 3, 2010, the Commission adopted the Market Access

Rule,⁴ pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial, regulatory, and other risks associated with providing its customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for the Market Access Rule, the Exchange is proposing to amend EDGA Rule 11.9 to describe the manner in which the Exchange's affiliated routing broker-dealer, Direct Edge ECN, LLC d/b/a DE Route ("DE Route") will handle routable orders consistent with the Market Access Rule.

In order to comply with the Market Access Rule, DE Route proposes to implement, as part of the procedures of DE Route, certain tests, on both an order-by-order basis and over a short period of time, that are designed to limit the financial exposure that could arise as a result of market access and to ensure compliance with all regulatory requirements that are applicable in connection with market access. Consistent with the requirements of the Market Access Rule, these tests are designed to reject orders that DE Route deems to be erroneous or duplicative, would cause the entering Member's credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade regulatory requirements (as defined in the Market Access Rule). To the extent DE Route determines, based on its procedures, that an order should be rejected, DE Route may also seek to cancel orders that have already been routed away.

Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁵ In particular, the proposed change is consistent with Section 6(b)(5) of the Act,⁶ because it would promote just and equitable principles of trade, and, in general, protect investors and the public interest. The proposed rule is consistent with the requirements of the Act because the change is necessary for the Exchange's affiliated broker-dealer, DE Route, to comply with the Market Access Rule. The Exchange also believes that the proposed changes will benefit Members of the Exchange because it

provides clarity on the procedures employed by DE Route consistent with the Market Access Rule.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)(iii) thereunder.⁸

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.⁹ However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange notes that waiving the 30-day operative delay will allow DE Route to comply with Rule 15c3-5 under the Act by July 14, 2011;¹¹ the compliance date for Rule 15c3-5. For this reason, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public

interest, and designates the proposed rule change to be operative upon filing with the Commission.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form <http://www.sec.gov/rules/sro.shtml>; or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64901; File No. SR-BYX-2011-015]

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make Certain Changes Consistent With the Upcoming Implementation of the Market Access Rule

July 18, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 12, 2011, BATS Y-Exchange, Inc. ("BYX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend BYX Rule 11.13 to make certain changes consistent with the upcoming implementation of the adoption of Rule 15c3-5 under the Act (the "Market Access Rule").⁵

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On November 3, 2010, the Commission adopted the Market Access Rule,⁶ pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial, regulatory, and other risks associated with providing its customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for the Market Access Rule, the Exchange is proposing to amend BYX Rule 11.13 to describe the manner in which the Exchange's affiliated routing broker-dealer, BATS Trading, Inc. ("BATS Trading") will handle routable orders consistent with the Market Access Rule.

In order to comply with the Market Access Rule, BATS Trading proposes to implement, certain tests, on both an order-by-order basis and over a short period of time, that are designed to limit the financial exposure that could arise as a result of market access and to ensure compliance with all regulatory requirements that are applicable in connection with market access. Consistent with the requirements of the Market Access Rule, these tests are designed to reject orders that BATS Trading deems to be erroneous or duplicative, would cause the entering Member's credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade

regulatory requirements (as defined in the Market Access Rule). To the extent BATS Trading determines, based on its procedures, that an order should be rejected, BATS Trading may also seek to cancel orders that have already been routed away.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁷ In particular, the proposed change is consistent with Section 6(b)(5) of the Act,⁸ because it would promote just and equitable principles of trade, and, in general, protect investors and the public interest. The proposed rule is consistent with the requirements of the Act because the change is necessary for the Exchange's affiliated broker-dealer, BATS Trading, to comply with the Market Access Rule. The Exchange also believes that the proposed changes will benefit Members of the Exchange because it provides clarity on the procedures employed by BATS Trading consistent with the Market Access Rule.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Changes and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰
