

Russian Federation: Final Results of Antidumping Duty Administrative Review, 75 FR 56989 (September 17, 2010)). Specifically, when the company has an individual cash deposit rate from the most recent segment of the proceeding in which the company had shipments and sales, we do not assign that company a new cash deposit rate. Additionally, when the company had no entries, we instruct CBP to liquidate any existing entries of merchandise produced by the company and exported by other parties at the all-others rate.

Amended Margins for the Final Results of Review

We continue to determine that a weighted-average dumping margin exists for the three mandatory respondents, SeAH Steel Corporation ("SeAH"), Husteel Co., Ltd. ("Husteel"), and Nexteel Co., Ltd. ("Nexteel"), for the period November 1, 2008, through October 31, 2009. Respondents other than mandatory respondents and Hyundai HYSCO continue to receive the weighted-average of the margins calculated for SeAH, Husteel, and Nexteel.

Manufacturer/exporter	Weighted-average margin percent
SeAH Steel Corporation	4.99
Husteel Co., Ltd	2.25
Nexteel Co., Ltd	12.90
Hyundai HYSCO	*
Kumkang Industrial Co., Ltd	8.17
A-JU Besteel Co., Ltd	8.17

*No entries or sales subject to this review. The firm has an individual dumping margin from a previous segment of the proceeding in which the firm had entries and sales.

Cash Deposit Requirements for Hyundai HYSCO

The cash deposit rate for Hyundai HYSCO will be revised to reflect the rate it was assigned in the most recent review in which it participated and had sales and entries of subject merchandise. This cash deposit requirement will be in effect until further notice. This cash deposit requirement will be effective for all shipments of subject merchandise produced by Hyundai HYSCO and entered or withdrawn from warehouse for consumption on or after the publication of the *Final Results*, as provided for by section 751(a)(2)(C) of the Act.

Assessment Rate for Hyundai HYSCO

The Department will issue appropriate assessment instructions for Hyundai HYSCO directly to CBP 15

days after the date of publication of these amended final results of review. As explained above, we will instruct CBP to liquidate any entries at the all-others rate established in the less-than-fair-value ("LTFV") investigation if there is no assessment rate for the intermediate companies involved in the transaction. *See Final Determination of Sales at Less Than Fair Value; Circular Welded Non-Alloy Steel Pipe From the Republic of Korea*, 57 FR 42942, 42945 (September 17, 1992); *see also Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These amended final results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 19, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Honey From Argentina: Extension of Time Limit for Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 25, 2011.

FOR FURTHER INFORMATION CONTACT: Patrick Edwards or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-8029 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 31, 2011, the Department of Commerce (the Department) published in the **Federal Register** the initiation of a new shipper review of the antidumping duty order on honey from Argentina, covering the period of December 1, 2009, through November 30, 2010, and a single exporter of Argentine honey, Villamora S.A. (Villamora). *See Honey from Argentina: Notice of Initiation of Antidumping Duty New Shipper Review*, 76 FR 5332 (January 31, 2011). The current deadline for the preliminary results of this review is July 24, 2011.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1), requires the Department to complete the preliminary results of a new shipper review of an antidumping duty order within 180 days after the date on which the review is initiated. However, the Department may extend the deadline for completion of the preliminary results to 300 days if it determines the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

The Department finds that this new shipper review is extraordinarily complicated and, therefore, it requires additional time to complete the preliminary results. Specifically, the Department requires additional time to analyze certain data and information regarding the Argentine honey market and the nature of Villamora's relationship with affiliated parties. Accordingly, the Department is

extending the time limit for completion of the preliminary results of this new shipper review and therefore, will complete these preliminary results no later than August 23, 2011. We intend to issue the final results no later than 90 days after publication of the preliminary results.

This extension is issued and published in accordance with section 751(a)(2)(B)(iv) and 19 CFR 351.214(i)(2).

Dated: July 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
