#### SUPPLEMENTARY INFORMATION:

*Background.*—On July 5, 2011, the Commission determined that the domestic interested party group response to its notice of institution (76 FR 18251, April 1, 2011) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other

circumstances that would warrant conducting a full review.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

*Staff report.*—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on August 22, 2011, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

*Written submissions.*—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before August 25, 2011 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by August 25, 2011. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document

<sup>1</sup> A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

<sup>2</sup> The Commission has found the responses submitted by U.S. Steel Corp. and V&M STAR to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

*Determination.*—The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: July 20, 2011.

#### United States-Peru Trade Promotion Agreement Notice of Determination Regarding Review of Submission #2010-03

**AGENCY:** Bureau of International Labor Affairs, U.S. Department of Labor.

**ACTION:** Notice.

**SUMMARY:** The Office of Trade and Labor Affairs (OTLA) gives notice that on July 19, 2011, Submission #2010-03 was accepted for review pursuant to Article 17.2 of Chapter 17 (the Labor Chapter) of the United States-Peru Trade Promotion Agreement (PTPA).

The submission was filed with OTLA on December 29, 2010, by a Peruvian

union, the *Sindicato Nacional de Unidad de Trabajadores de Superintendencia Nacional de Administración Tributaria* (SINAUT-SUNAT). The submission alleges the Government of Peru has violated Article 17.2 of the Labor Chapter of the PTPA by failing to adopt and maintain in its statutes and regulations, and practices thereunder, the effective recognition of the right to collective bargaining as stated in the International Labour Organization's Declaration on Fundamental Principles and Rights at Work and its Follow-Up. SINAUT-SUNAT alleges that the employer, *Superintendencia Nacional de Administración Tributaria* (SUNAT) has refused to negotiate in good faith and engage constructively at various stages of the collective bargaining process, as required by Peruvian law. These allegations are supported by facts which, if substantiated, could demonstrate that the Government of Peru's actions were inconsistent with its commitments under the Labor Chapter.

The objective of the review of the submission will be to gather information so that OTLA can better understand the allegations therein and publicly report on the U.S. Government's views regarding whether the Government of Peru's actions were consistent with its obligations under the Labor Chapter of the PTPA.

**DATES:** Effective Date: July 15, 2011.

**FOR FURTHER INFORMATION CONTACT:** Gregory Schoepfle, Director, OTLA, U.S. Department of Labor, 200 Constitution Avenue, NW., Room S-5303, Washington, DC 20210. Telephone: (202) 693-4900. (This is not a toll-free number.)

**SUPPLEMENTARY INFORMATION:** Article 17.5.5(c) of the Labor Chapter of the PTPA establishes that each Party's contact point shall provide for the submission, receipt, and consideration of communications from persons of a Party on matters related to provisions of the Labor Chapter and pursuant to Article 17.5.6, shall review such communications in accordance with domestic procedures. On December 14, 2006, the Department of Labor's OTLA was designated as the contact point for administering the labor provisions in free trade agreements, including the PTPA [71 FR 76691 (2006)].

The same **Federal Register** notice informed the public of the Procedural Guidelines that OTLA would follow for the receipt and review of public submissions. These Procedural Guidelines are available at <http://www.dol.gov/ilab/programs/otla/proceduralguidelines.htm>. According to
